

822.304 Variations, tolerances, and exemptions.

For contracts providing nursing home care for veterans, the Secretary of Labor has allowed a variation to the requirements of Contract Work Hours and Safety Standards (the statute) (40 U.S.C. 3701, *et seq.*) regarding the payment of overtime (see 29 CFR 5.15(d)(2)). The variation provides that overtime may be calculated on a basis other than a 40 hour workweek (as an alternate work period) when—

(a) Due to operational necessity or convenience a work period of 14 consecutive days may be accepted in lieu of the workweek of 7 consecutive days for the purpose of computing overtime compensation, pursuant to an agreement or understanding arrived at between the contractor and the contractors' employees before performance of the work; and

(b) If The contractor's employees receive compensation for employment in excess of 8 hours in any workday and in excess of 80 hours in such 14-day period at a rate not less than 1 1/2 times the regular rate at which the individual is employed, computed in accordance with the requirements of the Fair Labor Standards Act of 1938, as amended
