

915.404-4810 General.

(a) Business concerns awarded a DOE construction or construction management contract shall be paid a profit or fee if requested or solicited. The profit or fee objective for a construction or construction management contract shall be an amount appropriate for the type of effort contained therein. It is the intent of DOE to—

- (1) Reward contractors based on the complexity of work;
 - (2) Reward contractors who demonstrate and establish excellent records of performance; and
 - (3) Reward contractors who contribute their own resources, including facilities and investment of capital.
- (b) Standard fees or across-the-board agreements will not be used or made. Profit or fee objectives are to be determined for each contract according to the effort or task contracted thereunder.
- (c) Profit or fee payable on fixed-price and cost-reimbursable construction or construction management contracts shall be established in accordance with the appropriate procedures and schedules set forth in this subpart.
