## 4.802 Contract files.

- (a) A contract file *should* generally consist of-
- (1) The *contracting office* contract file that documents the basis for the *acquisition* and the award, the assignment of contract administration (including payment responsibilities), and any subsequent actions taken by the *contracting office*;
- (2) The *contract administration office* contract file that documents actions reflecting the basis for and the performance of contract administration responsibilities; and
- (3) The paying office contract file that documents actions prerequisite to, substantiating, and reflecting contract payments.
- (b) Normally, each file *should* be kept separately; however, if appropriate, any or all of the files *may* be combined; *e.g.*, if all functions or any combination of the functions are performed by the same office.
- (c) Files must be maintained at organizational levels that ensure-
- (1) Effective documentation of contract actions;
- (2) Ready accessibility to principal users;
- (3) Minimal establishment of duplicate and working files;
- (4) The safeguarding of classified documents; and
- (5) Conformance with agency regulations for file location and maintenance.
- (d) If the contract files or file *segments* are decentralized (*e.g.*, by type or function) to various organizational elements or to other outside offices, responsibility for their maintenance *must* be assigned. A central control and, if needed, a locator system *should* be established to ensure the ability to locate promptly any contract files.
- (e) Contents of contract files that are contractor bid or proposal information or *source selection* information as defined in 2.101 must be protected from disclosure to unauthorized persons (see 3.104-4).
- (f) Agencies *may* retain contract files in any medium (paper, electronic, microfilm, etc.) or any combination of media, as long as the requirements of this subpart are satisfied.
