(3) A prospective contractor requests a copy of a Government promulgated requirements document.

(b) *Contracting offices shall* clearly identify in the *solicitation* any pertinent documents not listed in the GSA Index of Federal Specifications, Standards and Commercial Item Descriptions or ASSIST. Such documents *shall* be furnished with the *solicitation* or specific instructions *shall* be furnished for obtaining or examining such documents.

(c) When documents refer to other documents, such references *shall*-

(1) Be restricted to documents, or appropriate portions of documents, that apply in the *acquisition*;

(2) Cite the extent of their applicability;

(3) Not conflict with other documents and provisions of the *solicitation*; and

(4) Identify all applicable first tier references.
