14.301 Responsiveness of bids.

- (a) To be considered for award, a bid *must* comply in all material respects with the invitation for bids. Such compliance enables bidders to stand on an equal footing and maintain the integrity of the sealed bidding system.
- (b) Facsimile bids *shall* not be considered unless permitted by the *solicitation* (see <u>14.202-7</u>).
- (c) Bids *should* be filled out, executed, and submitted in accordance with the instructions in the invitation. If a bidder uses its own bid form or a letter to submit a bid, the bid *may* be considered only if-
- (1) The bidder accepts all the terms and conditions of the invitation; and
- (2) Award on the bid would result in a binding contract with terms and conditions that do not vary from the terms and conditions of the invitation.
- (d) Bids submitted by *electronic commerce shall* be considered only if the *electronic commerce* method was specifically stipulated or permitted by the *solicitation*.
