

19.502-6 Setting aside a class of acquisitions for small business.

(a) A class of *acquisitions* of selected *products* or services, or a portion of the *acquisitions*, may be set aside for exclusive participation by small business *concerns* if individual *acquisitions* in the class will meet the criteria in [19.502-1](#), [19.502-2](#), or [19.502-3\(a\)](#). The determination to make a class small business set-aside *shall* not depend on the existence of a current *acquisition* if future *acquisitions* can be clearly foreseen.

(b) The determination to set aside a class of *acquisitions* for small business *may* be either unilateral or joint.

(c) Each class small business set-aside determination *shall* be *in writing* and *must*-

(1) Specifically identify the product(s) and service(s) it covers;

(2) Provide that the set-aside does not apply to any *acquisition* automatically set aside under [19.502-2\(a\)](#).

(3) Provide that the set-aside applies only to the (named) *contracting office(s)* making the determination; and

(4) Provide that the set-aside does not apply to any individual *acquisition* if the requirement is not severable into two or more economic production runs or reasonable lots, in the case of a partial class set-aside.

(d) The *contracting officer* *shall* review each individual *acquisition* arising under a class small business set-aside to identify any changes in the magnitude of requirements, specifications, delivery requirements, or competitive market conditions that have occurred since the initial approval of the class set-aside. If there are any changes of such a material nature as to result in probable payment of more than a *fair market price* by the Government or in a change in the capability of small business *concerns* to satisfy the requirements, the *contracting officer* *may* withdraw or modify (see [19.502-9\(a\)](#)) the unilateral or joint set-aside by giving written notice to the SBA PCR (or, if a PCR is not assigned, see [19.402\(a\)](#)) stating the reasons.
