

22.404-10 Posting wage determinations and notice.

The contractor *must* keep a copy of the applicable wage determination (and any approved additional classifications) posted at the site of the work in a prominent place where the workers can easily see it. The *contracting officer shall* furnish to the contractor, Department of Labor Form WH-1321, Notice to Employees Working on Federal and Federally Financed *Construction* Projects, for posting with the wage rates. The name, address, and telephone number of the Government officer responsible for the administration of the contract *shall* be indicated in the poster to inform workers to whom they *may* submit complaints or raise questions concerning labor standards.
