## 22.1009-1 General.

If the place of performance is unknown, the *contracting officer may* use the procedures in this section. The *contracting officer should* first attempt to identify the specific places or geographical areas where the services might be performed (see  $\underline{22.1009-2}$ ) and then *may* follow the procedures either in  $\underline{22.1009-3}$  or in  $\underline{22.1009-4}$ .
