25.501 General.

The contracting officer-

(a) *Must* apply the evaluation procedures of this subpart to each *line item* of an *offer* unless either the *offer* or the *solicitation* specifies evaluation on a group basis (see <u>25.503</u>);

(b) *May* rely on the *offeror*'s certification of *end product* origin when evaluating a *foreign offer;*

(c) *Must* identify and reject *offers* of *end products* that are prohibited in accordance with <u>subpart</u> 25.7; and

(d) When trade agreements are involved, *must* not use the Buy American statute evaluation factors prescribed in this subpart to provide a preference for one *foreign offer* over another *foreign offer*.
