42.705 Final indirect cost rates.

- (a) Final indirect cost rates shall be established on the basis of-
- (1) Contracting officer determination procedure (see 42.705-1), or
- (2) Auditor determination procedure (see 42.705-2).

(b) Within 120 days (or longer period, if approved *in writing* by the *contracting officer*,) after settlement of the final annual *indirect cost rates* for all years of a physically complete contract, the contractor *must* submit a completion *invoice* or voucher reflecting the settled amounts and rates. - (3) Delays in the disposition of Government property.
- (4) Delays in contract reconciliation.
- (5) Any other pertinent factors.
- (c)

(1) If the contractor fails to submit a completion *invoice* or voucher within the time specified in paragraph (b) of this section, the *contracting officer may*-

- (i) Determine the amounts due to the contractor under the contract; and
- (ii) Record this determination in a unilateral modification to the contract.

(2) This *contracting officer* determination *must* be issued as a final decision in accordance with 33.211.
