## 47.104-1 Government rate tender procedures.

(a)  $\underline{49}$  U.S.C.  $\underline{10721}$  and  $\underline{13712}$  rates are published in Government rate tenders and apply to shipments moving for the account of the Government on-

(1) Commercial bills of lading endorsed to show that total transportation charges are assignable to, and will be reimbursed by, the Government (see the clause at 52.247-1, Commercial Bill of Lading Notations); and

(2) Government bills of lading.

(b) Agencies may negotiate with carriers for additional or revised <u>49 U.S.C. 10721</u> and <u>13712</u> rates in appropriate situations. Only personnel authorized in agency procedures may carry out these negotiations. The following are examples of situations in which negotiations for additional or revised <u>49 U.S.C. 10721</u> and <u>13712</u> rates may be appropriate:

(1) Volume movements are expected.

(2) Shipments will be made on a recurring basis between designated places, and substantial savings in transportation costs appear possible even though a volume movement is not involved.

(3) Transit arrangements are feasible and advantageous to the Government.
