47.404 Air freight forwarders.

(a) Agencies may use air freight forwarders that are engaged in international air transportation (49 U.S.C. 1301(c)) for U.S. Government-financed movements of property. The rule on disallowance of expenditures in 47.403-3(a) applies also to the air carriers used by these international air freight forwarders.

(b) Agency personnel *shall* inform international *air freight forwarders* that to facilitate prompt payments of their bills, they *shall* submit with their bills-

(1) A copy of the airway bill or manifest showing the air carriers used; and

(2) Justification for the use of foreign-flag air *carriers* similar to the one shown in the clause at <u>52.247-63</u>, Preference for *U.S.-Flag Air Carriers*.
