

49.303-1 Submission of settlement proposal.

The contractor *shall* submit a final *settlement proposal* covering unvouchered costs and any proposed fee to within 1 year from the *effective date of termination*, unless the period is extended by the TCO. The contractor *shall* use the form prescribed in 49.602-1, unless the TCO authorizes otherwise. The proposal *shall* not include costs that have been-

(a) Finally disallowed by the *contracting officer*; or

(b) Previously vouchered and formally questioned by the Government but not yet decided as to allowability.
