

52.246-1 Contractor Inspection Requirements.

As prescribed in 46.301 , insert the following clause:

Contractor *Inspection* Requirements (Apr 1984)

The Contractor is responsible for performing or having performed all *inspections* and tests necessary to substantiate that the *supplies* or services furnished under this contract conform to contract requirements, including any applicable technical requirements for specified manufacturers' parts. This clause takes precedence over any Government *inspection* and testing required in the contract's specifications, except for specialized *inspections* or tests specified to be performed solely by the Government.
