225.7703-1 Acquisition procedures.

- (a) Subject to the requirements of <u>225.7703-2</u>, except as provided in <u>225.7702</u>, a product or service (including construction), in support of operations in Afghanistan, may be acquired by—
- (1) Providing a preference for products or services from Afghanistan in accordance with the evaluation procedures at 225.7703-3;
- (2) Limiting competition to products or services from Afghanistan; or
- (3) Using procedures other than competitive procedures to award a contract to a particular source or sources from Afghanistan. When other than competitive procedures are used, the contracting officer shall document the contract file with the rationale for selecting the particular source(s).
- (b) For acquisitions conducted using a procedure specified in paragraph (a) of this subsection, the justification and approval addressed in FAR Subpart 6.3 is not required.
- (c) When issuing solicitations and contracts for performance in Afghanistan, follow the procedures at PGI <u>225.7703-1</u> (c).
