

252.217-7011 Access to Vessel.

As prescribed at 217.7104 (a), use the following clause:

ACCESS TO VESSEL (DEC 1991)

(a) Upon the request of the Contracting Officer, the Contractor shall grant admission to the Contractor's facilities and access to vessel, on a non-interference basis, as necessary to perform their respective responsibilities, to a reasonable number of:

(1) Government and other Government contractor employees (in addition to those Government employees attached to the vessel); and

(2) Representatives of offerors on other contemplated Government work.

(b) All personnel granted access shall comply with Contractor rules governing personnel at its shipyard.

(End of clause)
