

Rule 6. Pleadings

(a) Appellant—Within 30 days after receipt of notice of docketing of the appeal, the appellant shall file with the Board a complaint setting forth simple, concise, and direct statements of each of its claims. The complaint shall also set forth the basis, with appropriate reference to contract provisions, of each claim and the dollar amount claimed, if any. This pleading shall fulfill the generally recognized requirements of a complaint, although no particular form is required. Should the complaint not be timely received, the appellant's claim and notice of appeal may be deemed to set forth its complaint if, in the opinion of the Board, the issues before the Board are sufficiently defined, and the parties will be notified.

(b) Government—Within 30 days from receipt of the complaint, or the aforesaid notice from the Board, the Government shall file with the Board an answer thereto. The answer shall admit or deny the allegations of the complaint and shall set forth simple, concise, and direct statements of the Government's defenses to each claim asserted by the appellant, including any affirmative defenses. Should the answer not be timely received, the Board may enter a general denial on behalf of the Government, and the parties will be notified.

(c) Foreign Law—A party who intends to raise an issue concerning the law of a foreign country shall give notice in its pleadings or other reasonable written notice. The Board, in determining foreign law, may consider any relevant material or source, including testimony, whether or not submitted by a party or admissible under Rules 10, 11, or 13. The determination of foreign law shall be treated as a ruling on a question of law.

(d) Further Pleadings—The Board upon its own initiative or upon motion may order a party to make a more definite statement of the complaint or answer, or to reply to an answer. The Board may permit either party to amend its pleading upon conditions fair to both parties. When issues within the proper scope of the appeal, but not raised by the pleadings, are tried by express or implied consent of the parties, or by permission of the Board, they shall be treated in all respects as if they had been raised therein. In such instances, motions to amend the pleadings to conform to the proof may be entered, but are not required. If evidence is objected to at a hearing on the ground that it is not within the issues raised by the pleadings, it may be admitted within the proper scope of the appeal, provided however, that the objecting party may be granted an opportunity to meet such evidence.
