

# 1-8. GPC Delegations of Authority and Appointment Letters

The different types of delegation of authority appointments identified in this section and Table 1-3 are available to CHs as needed. Each authority has unique policies, procedures, training, and oversight requirements. CHs must have the appropriate designation in their JAM appointment in order to use the corresponding purchasing authority. These appointments can only be granted to individuals who have completed training commensurate with their delegated authority.

**Notes:**

1. Dollar values are subject to change. See DoD Charge Card Guidebook for most current guidance.
2. MPT changes are based on the National Defense Authorization Act (NDAA).
3. GPC Delegation of Authority and Appointment Letter is equivalent to appointment on an SF 1402, Certificate of Appointment (i.e., Contracting Officer Warrant).
4. CHs who have previously been issued an SF 1402 may be authorized to place orders using the GPC up to their delegated authority.

a. **Micro-Purchase Cardholder.** This authority allows CHs to use the GPC to buy commercially available, fixed-price supplies and services to fulfill mission-essential requirements. The maximum single transaction dollar limit for stand-alone purchases is the MPT as defined at FAR 2.101.

b. **Micro-Purchase Convenience Check Writer.** This authority allows CHs to use a GPC convenience check to buy commercially available, fixed-price supplies and services to fulfill mission-essential requirements. Since convenience checks expose the Government to greater risk, CHs must make every effort to use a GPC card before writing a check. CHs may only use this authority when use of the GPC is not possible. All check purchases must be within the applicable convenience check MPT. DoD FMR Volume 10, Chapter 23 establishes the financial management policy for convenience check accounts.

c. **Micro-Purchase Emergency-Type Operations (ETO) CH and/or Check Writer.** This authority allows CHs to buy commercially available, fixed-price supplies and services to fulfill mission-essential requirements in direct support of a declared contingency or emergency event. See 41 USC 1903. Emergency-type Operations include the following:

- 1) Contingency operations as defined in FAR 2.101.
- 2) Operations to facilitate the defense against or recovery from cyber, nuclear, biological, chemical,

or radiological attack against the U.S. as addressed in FAR 18.001.

3) Operations in support of a request from the Secretary of State or the Administrator of the United States Agency for International Development to facilitate the provision of international disaster assistance as addressed in FAR 18.001.

4) Operations to support response to an emergency or major disaster as defined in section 102 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 USC 5121 et seq, implemented in FAR 26.2).

5) Humanitarian or peacekeeping operation (as defined at 10 USC 2302(8) and FAR 2.101).

CHs must enter the applicable value from Table 1-4 in the ETO field in the bank's EAS for each transaction. If unsure, CHs should consult their A/OPC. If your Component HCA has authorized emergency acquisition authorities to support COVID or Ukraine for purchases made after 9/30/2022, then CHs will need to manually enter just the description of "Ukraine" or "COVID" in the "Contingency Operations" field.

CH must complete when "Applicable code not in list" is selected from the drop-down list. Entry must include either the applicable NIA that is not yet available in the ETO list along with a short description, or the code specified in Army policy along with a short description.

d. **Warranted Overseas ETO Cardholder.** This authority allows CHs to use the GPC in conjunction with their separately issued SF 1402 Certificate of Appointment to purchase supplies and services as prescribed in DFARS 213.301(3). Contracting officers may use this authority to make purchases up to the applicable simplified acquisition threshold in support of declared contingency or emergency events.

e. **Contract Ordering Official.** This authority allows CHs with the appropriate training to issue fixed-price orders against existing contracts (e.g., GSA FSS, BPAs, FedMall contracts, CHESSE contracts) to fulfill mission-essential requirements for supplies and services valued up to the Contract Ordering Official single purchase limit and to use the GPC to pay for these orders/purchases. When using this authority, CHs must 1) ensure they are authorized to place orders by the contract terms and conditions, 2) ensure the order will comply with all the contracts terms and conditions, and 3) follow all applicable ordering procedures. When ordering above the MPT, CH should obtain pricing from small business when small business can meet the requirements. The CH should obtain quotes from at least three sources. If restricting competition to fewer than three sources, the CH should document the circumstances in the purchase file. CHs with this designation will be referred to as "Ordering Officials" throughout this document.

f. **Overseas Simplified Acquisition.** This authority allows CHs to make authorized GPC purchases up to a single purchase limit of \$25,000 when the CH is outside the U.S. for items/services to be used outside the U.S., and that comply with the requirements of DFARS 213.301(2). When ordering above the MPT, the CH should obtain quotes from at least three sources. If restricting consideration to fewer than three, document the circumstances in the purchase file.

g. **Contract Payment Official.** This authority allows CHs to use the GPC to make payments against contracts that have been signed by a Contracting Officer when the GPC is named as the payment method. The GPC may provide a streamlined way of paying for contracts when a contracting officer determines the use of the GPC is in the best interest of the Government (AFARS 5113.202-90(d)).

h. **Miscellaneous Payments Official (SF 182 Training Payments).** This authority allows CHs to make payments for commercial training requests using the SF 182, valued at or below \$25,000 in accordance with the procedures to directly pay the provider in DoD FMR Volume 10, Chapter 12, Section 120323, and DoDI 1400.25, Volume 410a. The SF 182 or equivalent must be completed prior to the training. When provided by a non-Government source, the training must consist of a regularly scheduled, commercial-off-the-shelf (COTS) course, training conference, or instructional service that is available to the general public and priced the same for everyone in the same category, e.g., price per student, course, program, service, or training space.

i. **Inter/Intra-Governmental Payment Official.** This authority allows CHs to make payments to other Federal Government agencies in lieu of using a MIPR or Inter-Governmental Payment and Collection (IPAC) up to \$10,000. This authority includes, but is not limited to, payments to the Commissary, DLA Document Services, GSA Global Supply, and requisitioning NSNs on FedMall.

Purchases from the following sources are **not** considered inter/intra-governmental payments: state and local governments, AbilityOne, GSA Advantage, and CHES.
