

# 5637.590-90 Contractor Manpower Reporting

*(Revised June 2021)*

Title 10, U.S.C., Sections 235 and 2330a establish the requirement to report on manpower functions and costs under services contracts. Contractors were previously required to report on manpower to eCMRA; however, beginning with the FY20 reporting period (FY21 Q1) reporting will be done in [SAM](#). [FAR 4.1705](#) provides specifics on the data to be reported and applicable clauses.
