## **5642.1503 Procedures.**

*(Revised June 2021)*

(d)

(1) USSOCOM HCDs and FCOs shall use the Contractor Performance Assessment Reporting System (CPARS) as the method to record evaluations of contractor performance.

(2) Those contractor performance evaluations involving national security/classified contract actions shall not be entered into CPARS; however, they must follow CPARS reporting requirements in conjunction with the individual program security requirements.
