2. Reporting .

a. In accordance with 5206.303-91, HCAs shall provide a bridge contract status update (including rationale for using the bridge contract), at the midpoint of the current bridge contract period of performance to the SSM for bridge contracts awarded due to inadequate planning with a total estimated value at or above \$10 million. All bridge contracts are considered awarded due to inadequate planning unless caused by protest, urgency, or delays during evaluation.

b. The requirement above does not apply to:

(1) Service contracts in support of contingency operations, humanitarian assistance, or disaster relief;

(2) Service contracts in support of a national security emergency declared with respect to a named operation; or

(3) Service contracts entered into pursuant to an international agreement.

c. Status updates on bridge contracts awarded due to inadequate planning will be used by DASN(P) to notify senior leadership in accordance with Department of Defense Instruction 5000.74, Defense Acquisition of Services, section 4.7 (Timely Planning to Avoid Bridge Contracts).

d. In accordance with NMCARS 5206.303-92, 15 days after the end of each quarter, each HCA shall report data on bridge contract use to DASN(P) using the formatted spreadsheet located at: <https://www.secnav.navy.mil/rda/DASN-P/Pages/NMCARS.aspx>. Negative reports are required.
