ANNEX 5 - BRIDGE CONTRACT APPROVAL AND REPORTING

1. Approval.

Pursuant to 5206.303-1(S-90), the template below shall be used when requesting approval to award a bridge contract.

REOUEST FOR AU	UTHORIZATION OF	BRIDGE CONTRACT
----------------	-----------------	------------------------

·
1) Existing contract #:
2) Incumbent name:
3) Existing contract period of performance and contract value (including unexercised options):
4) Is this the first use of a bridge contract to provide for continuation of a service to be performed through a services contract? If not, please elaborate:
5) Estimated period of performance and value of requested bridge contract:
6) Reason for requested bridge contract. Was it due to reasons other than protest, urgency, or delays during evaluation? If not, provide explanation.
7) If this request is for the second or more use of a bridge contract with a total estimated value at o above \$10 million due to inadequate planning as defined in 5206.303-91(b), has an update on the status of the current bridge contract (including rationale for using the bridge contract), as required 5206.303-91(a) been provided to the Senior Services Manager (SSM) at SeniorServicesManage.fct@navy.mil? Indicate date of email.
8) If this request is for the second or more use of a bridge contract with a total estimated value of less than \$10 million due to inadequate planning as defined in 5206.303-91(b), explain why the use of the previous bridge contract was unsuccessful in preventing an additional bridge contract.
