

3439.702 Department security requirements.

The contracting officer must include the solicitation provision in 3452.239-71 (Notice to offerors of Department security requirements) and the clause at 3452.239-72 (Department security requirements) when contractor employees will have access to Department-controlled facilities or space, or when the work (wherever located) involves the design, operation, repair, or maintenance of information systems and access to sensitive but unclassified information.
