(i) Describe the supplies and/or services the proposed provider agreement will require;

(ii) Identify the proposed basis for reimbursement;

(iii) Identify the proposed provider agreement, explain why the carrier selected the proposed provider, and, where applicable, what contracting method it used, including the kind of competition obtained;

(iv) Describe the methodology the carrier used to compute the provider's profit; and, (v) Describe the provider risk provisions.

(3) The contracting officer may request from the carrier any additional information on a proposed provider agreement and its terms and conditions prior to a Large Provider award and during the performance of the agreement.

If the contracting officer comments, the carrier must respond in writing within 10 calendar days and explain how it intends to address any concerns.

(5) When computing the carrier's annual service charge, the contracting officer will consider how well the carrier complies with the provisions of this section, including the advance notification requirements, as an aspect of the carrier's performance factor.

(6) The contracting officer's review of any Large Provider agreement, option, renewal, or modification will not constitute a determination of the acceptability of terms or conditions of any provider agreement or the allowability of any costs under the carrier's contract, nor will it relieve the carrier of any responsibility for performing the contract.

(b) *Records and inspection.* The carrier must insert in all Large Provider Agreements the requirement that the provider will retain and make available to the Government all records relating to the agreement as follows:
