PGI 205.1 - DISSEMINATION OF INFORMATION

PGI 205.102 Availability of solicitations.

PGI 205.102-70 Exception for prototype projects for follow-on production contracts.

(a) *Policy.* The Solicitation Module within the Procurement Integrated Enterprise Environment, accessible at <https://piee.eb.mil>, provides DoD a secure and auditable mechanism to request and receive proposals or quotes from industry.

(1) The Solicitation Module—

- (i) Provides a single face to industry for accessing DoD solicitations and attachments;
- (ii) Ensures time stamps for submissions are collected electronically, and records are retained in the contract file;
- (iii) Provides a means to upload very large and varied solicitation attachments;
- (iv) Provides the ability to restrict access to a limited group of identified offerors; and
- (v) Automatically posts the required synopsis or other presolicitation notice, solicitation, or combined synopsis and solicitation, as applicable, in the Governmentwide point of entry (<https://www.sam.gov>) in accordance with FAR subpart 5.2.

(b) *Procedures.* Effective October 1, 2026, unless an exception applies, contracting officers shall use the Solicitation Module for publishing unclassified solicitations and for receiving offers and quotes.

(1) Exceptions.

- (i) The Solicitation Module may be used, but is not required, for—

- (A) Requests for offers or quotes when limiting competition to a single source;
 - (B) Actions using simplified acquisition procedures in accordance with FAR subpart 13.3;
 - (C) Actions using emergency acquisition flexibilities in accordance with FAR subpart 18.2; or
 - (D) Actions to be awarded outside the United States.
- (ii) The Solicitation Module may not be used for the following types of actions until the capability is developed in the Module:
- (A) Broad agency announcements.
 - (B) Requests for offers or quotes for task orders or delivery orders under indefinite-delivery type contracts, blanket purchase agreements, or basic ordering agreements.

PGI 205.2 - SYNOPSES OF PROPOSED CONTRACT ACTIONS

PGI 205.205 Special situations.

(h) Notice regarding timely definitization of equitable adjustments for change orders under construction contracts. To obtain definitization data for requests for equitable adjustment to include in solicitations for construction contracts, access the PALT/Protest/REA Tracker module in the Procurement Integrated Enterprise Environment (PIEE) website at <https://piee.eb.mil>. Search the PALT/Protest/REA Tracker for the applicable military department or defense agency data and—

- (i) If data exists, download the table and include it as an attachment to the solicitation notice in the Governmentwide point of entry (GPE); or
- (ii) If no data exists, then include the following statement in the Description section of the solicitation notice: “No data is available regarding the timely definitization of equitable adjustments for change orders under construction contracts.” (See PGI 236.211(b)(2) for reporting data on definitization of equitable adjustments.)
- (iii) Include a description of military department or defense agency policies or procedures, in addition to that outlined in FAR 43.204, that apply to definitization of equitable adjustments for change orders under construction contracts. This description may be provided in a notice by including an address of an agency-specific, publicly available website containing this information.
- (iv) If the military department or defense agency does not have agency-specific procedures, include the following statement: “There are no agency-specific policies or procedures that apply to the definitization of equitable adjustments for change orders under construction contracts.”

PGI 205.207 Preparation and transmittal of synopses.

(a)(i) *Notice numbering.*

(1) For a particular procurement, when submitting notices at different stages of the acquisition (i.e., sources sought notice, pre-solicitation notice, award notice), ensure the solicitation number is

entered exactly the same way in order to allow all to be retrieved when a search is performed.

(2) Use only alpha-numeric characters in the solicitation and award number data elements in the GPE. Do not include hyphens, slashes, or other special characters.

(d) *Special notices for small business events.* When advertising an event for small businesses, post a 'special notice' notice type and ensure the "title" data field begins with "Small Business Event". This will enable the public to easily search the GPE using the small business event calendar on the website.
