PGI 225.7003-2 Restrictions.

(a)(i) This restriction applies to the item containing the specialty metal, not just the specialty metal, as was true when the restriction was part of 10 U.S.C. 4862. The previous practice of withholding payment while conditionally accepting noncompliant items is not permissible for—

(A) Contracts entered into on or after November 16, 2006; or

(B) New procurements or out-of-scope changes accomplished on or after November 16, 2006, through the use of bilateral modifications to contracts originally awarded prior to November 16, 2006.

(ii) Consistent with the definition of “component” in the clause at DFARS [252.225-7009](#), a component is any item supplied to the Government as part of an end item or of another component. Items that are not incorporated into any of the items listed in DFARS [225.7003-2\(a\)](#) are not components of those items. For example, test equipment, ground support equipment, or shipping containers are not components of the missile system.
