

## **PGI 235.010 Scientific and technical reports.**

(b) The Defense Technical Information Center (DTIC) is responsible for collecting all scientific or technological observations, findings, recommendations, and results derived from DoD endeavors, including both in-house and contracted efforts. The DTIC has eligibility and registration requirements for use of its services. Requests for eligibility and registration information should be addressed to DTIC-BC Registration, 8725 John J. Kingman Road, Fort Belvoir, VA 22060-6218, or may be obtained at <http://www.dtic.mil>.
