

PGI 239.7602-1 General.

(c)(6) When the clause at DFARS [252.239-7010](#) applies, the contracting officer shall provide the contractor with the name of the responsible Government official to contact in response to any spillage occurring in connection with the cloud computing services being provided. The requiring activity will provide the contracting officer with the name of the responsible official in accordance with agency procedures, as required by Enclosure 7 of DoDM 5200.01-V3, DoD Information Security Program: Protection of Classified Information.
