

246.408-71 Aircraft.

(c) The CAO shall ensure that—

- (i) A detailed consultation with the FAA Military Certification Office (MCO) (contact the MCO here: http://www.faa.gov/about/office_org/headquarters_offices/avs/offices/ai...) is documented regarding the scope of the acquisition or modification project;
- (ii) Supporting contractual documents (meeting minutes, an email record of consultations, memoranda, etc.) demonstrate that the scope of work is feasible and compatible with FAA regulations and policy;
- (iii) The period of performance and contract deliverable dates are consistent with FAA capabilities; and
- (iv) Contract provisions requiring FAA approval or processes are coordinated with the MCO prior to a solicitation.
