

5-7. Card Security

a. CHs are responsible for properly using and safeguarding their GPC. CHs must take appropriate precautions comparable to those taken to secure personal checks, credit cards, or cash. CHs must maintain the physical security of the card to prevent compromise. The card should never be surrendered, except when the account is going to be cancelled. Additionally, the account number should not be released to anyone other than the vendor processing the transaction.

b. **Lost or stolen cards.** The CH must promptly report lost, stolen, or compromised cards to the issuing bank, BO, and Level 4 A/OPC. The servicing bank will immediately block the account from accepting additional charges.

c. Only the designated CH has authority to make purchases with their GPC. The card is not to be used as a company card (e.g., during a CH's absence, someone other than the CH borrows the card to make a purchase). Use of a GPC by multiple persons is prohibited.
