5319.202 Specific Policy

Contracting officers shall provide for review by the Director, SAF/SB, or the Director's designee, any acquisition the Director, SAF/SB, deems necessary to fulfill the Director's authorities and responsibilities in [AFI 90-1801](#) to provide advice and make recommendations. The contracting officer shall document the contract file with the recommendations of the Director, or the Director's designee, and whether the recommendations were accepted or rejected.
