532.703 Contract funding requirements.

- (a) "Severable services" means services that are continuing and ongoing in nature—such as help-desk support, maintenance, or janitorial services—for which benefit is received each time the service is rendered.
- (b) "Non-severable services" means work that results in a final product or end-item and for which benefit is received only when the entire project is complete, such as systems design, building conversion, or environmental study.
- (c) Contracts for severable services may cross fiscal years as long as the period of performance (excluding options) is no more than 12 months. Contracts for goods or non-severable services are not similarly limited.
