538.272 MAS price reductions.

- (a) *Applicability*. This section applies when the contract contains the basic clause <u>552.238-80</u> Industrial Funding Fee and Sales Reporting.
- (b) The basic clause and Alternate I of <u>552.238-81</u>, Price Reductions, requires the contractor to maintain during the contract period the negotiated price/discount relationship (and/or term and condition relationship) between the eligible ordering activities and the offeror's customer or category of customers on which the contract award was predicated (see <u>538.271</u>). If a change occurs in the contractor's commercial pricing or discount arrangement applicable to the identified commercial customer (or category of customers) that results in a less advantageous relationship between the eligible ordering activities and this customer or category of customers, the change constitutes a "price reduction."
- (c) Ensure that the contractor understands the requirements of section <u>552.238-81</u> and agrees to report all price reductions to the Contracting Officer as provided for in the clause.
