

# 571.103 Definitions.

As used in this part—

“Agency Acquisition Innovation Advocates” are the GSA Acquisition Officials nominated by the Senior Procurement Executive and serving on the Office of Management and Budget Acquisition Innovation Council.

“Commercial solutions opening (CSO)” is a competitive procedure for acquiring innovative commercial products and commercial services, including products, technologies, and services through a competitive selection of solution briefs resulting from a general solicitation and peer review of such solution briefs.

“Innovative” means any item that is —

(a) A new technology, process, or method, including research and development as of the date of submission of a solution brief;

(b) A new application or adaptation of an existing technology, process, or method as of the date of submission of a solution brief;

(c) An existing product or service within the production/commercialization phase (i.e. after design or development, and before widespread government or commercial adoption); or

(d) A new adaptation of existing commercial products or commercial services. (See also the definition of “commercial product” and “commercial service” in FAR 2.101.)

“Peer Review” means a process where scientific, technological, or other subject matter experts within the U.S. Government evaluate solution briefs submitted against specified selection criteria.

“Solution Brief” means a solution proposed by an offeror in response to a solicitation issued using the CSO procedure.
