

# MP5332.402 General

Advance payment requests must be processed as follows:

(1) The contracting officer must compile the advance payment request package in accordance with [FAR 32.4](#) and [DFARS 232.4](#) and submit it to the SCO for coordination. The SCO must submit the request through the [cognizant HCA Workflow](#). The cognizant HCA forwards the package to [SAF/FMF](#) for review and approval. DAFRCO and SpRCO will submit the request directly to the cognizant HCA, as appropriate.

(2) SAF/FMF will evaluate the request to determine if advance payments are justified. Assistance may be solicited from other sources such as contracting officers, auditors, disbursing officers, and, if necessary, field visits to the contractor or institution. When approved, SAF/FMF will forward the findings, determinations, and authorization for advance payments to the responsible contracting officer. The contracting officer must ensure all applicable advance payment clauses are incorporated into each contract.
