(S-90) Communication of Acquisition Strategy Information to Industry.

For acquisitions with an estimated total lifecycle exceeding \$50M, when a Sources Sought Notice (SSN) or Request for Information (RFI) has posted to Contract Opportunities, the contracting officer may find it appropriate to update the Contract Opportunity announcement to identify the acquisition strategy once market research has been completed and the strategy has been approved. Contracting officers may provide additional updates as deemed appropriate.

(1) To include the following information:

(i) Contract vehicle (e.g., Federal Supply Schedule, Government-wide Acquisition Contract, Multiple-Award Contract, or Blanket Purchase Agreement) that will be leveraged to solicit the acquisition, if applicable. If utilizing Federal Supply Schedules, the specific Schedule number and Special Item Number(s) under which the requirement may be provided.

(ii) North American Industry Classification System (NAICS) code selected for the acquisition.

(iii) Identification of small business set-aside to include the specific socio-economic category, if applicable.

(iv) Projected time frame for Request for Proposal (RFP)/ Request for Quotation (RFQ) posting.

(S-91) Proactive Updates to Interested Parties after Receipt of Proposals / Quotations.

(1) For acquisitions with an estimated total lifecycle value exceeding \$50M, the contracting officer may notify interested parties of the projected award date; for example, approximately 30 calendar days prior to the anticipated date of award. Source selection information shall not be provided with this notification. Contracting officers may provide additional status updates as deemed appropriate.

(2) Notifications to interested parties shall clearly articulate that the purpose of the notification is solely to provide interested parties with status information for the subject procurement and the Government is not soliciting feedback or proposals/quotations as a result of the notification. Notifications should be reviewed by the assigned legal counsel prior to release.

(S-92) Early Industry Engagement Notices.

(1) For service acquisition orders (competitive and non-competitive) issued under DISA Indefinite Delivery Contracts and Blanket Purchase Agreements projected to reach or exceed \$50 million in total lifecycle, the contracting officer shall conduct Early Industry Engagement (EIE). Contracting Officers are encouraged to conduct EIE at any dollar value when time and circumstances allow.

(i) Posting: This effort involves posting or disseminating a draft solicitation, Performance Work Statement, Statement of Work, or Statement of Objectives using the EIE Notice Format language in DARS PGI 5805.401(S-92). At the discretion of the contracting officer draft evaluation criteria may also be posted. The EIE Notice should be posted or alternately disseminated to potential offerors in accordance with the proposed acquisition strategy or at approval of DD Form 2579.

(ii) Waiver: Posting of the EIE Notice(s) may be waived at one level above the contracting officer when circumstance prevents posting of the EIE Notice e.g., use of alpha contracting methods where

direct Government/Contractor collaboration occurs (non-competitive actions), and/or imminent release of the formal solicitation.
