3.1106 Contract clause.

- (a) Insert the clause at <u>52.203-16</u>, Preventing Personal Conflicts of Interest, in *solicitations* and contracts that-
- (1) Exceed the simplified acquisition threshold; and
- (2) Include a requirement for services by contractor employee(s) that involve performance of *acquisition* functions closely associated with inherently governmental functions for, or on behalf of, a *Federal agency* or department.
- (b) If only a portion of a contract is for the performance of *acquisition* functions closely associated with inherently governmental functions, then the *contracting officer shall* still insert the clause, but *shall* limit applicability of the clause to that portion of the contract that is for the performance of such services.
- (c) Do not insert the clause in *solicitations* or contracts with a self-employed individual if the *acquisition* functions closely associated with inherently governmental functions are to be performed entirely by the self-employed individual, rather than an employee of the contractor.
