

12.208 Contract quality assurance.

Contracts for *commercial products* shall rely on contractors' existing quality assurance systems as a substitute for Government *inspection* and testing before tender for acceptance unless customary market practices for the *commercial product* being acquired include in-process *inspection*. Any in-process *inspection* by the Government shall be conducted in a manner consistent with commercial practice. The Government shall rely on the contractor to accomplish all *inspection* and testing needed to ensure that *commercial services* acquired conform to contract requirements before they are tendered to the Government.
