# CHAPTER 4 DOCUMENTATION REQUIREMENTS

**Parent topic:** [Appendix - AA ARMY SOURCE SELECTION SUPPLEMENT](#)

## 4.1 Minimum Requirements

All documentation, from requirement concept and initiation through all phases of the procurement process, shall be properly safeguarded and appropriately handled. Unless documentation is to be marked at a higher classification, it will be properly marked in accordance with government (CUI) policy and procedures. <https://www.dodcui.mil/>.

## 4.2 Electronic Source Selection

If the PCO determines use of an electronic system for storing and handling source selection documentation is appropriate for the acquisition, the Army's Virtual Contracting Enterprise (VCE) Acquisition Source Selection Interactive Support Tool (ASSIST) is available.

ASSIST is a secure web-based contracting tool, accessible by Common Access Card (CAC) or External Certificate Authority (ECA), used to facilitate the coordination and management of all evaluation documentation generated in a source selection. For more information, please reference the ASSIST user guide at <https://assist1.army.mil>.
