A-8 Conducting the Debriefing

Handling Questions

You may request that questions from the offeror's personnel be funneled through their main spokesperson (this facilitates the orderly conduct of the debriefing).
As a general rule, do not answer questions "on the fly".
☐ Hold a government caucus to formulate a response before providing an answer (maintain source selection materials in caucus room for reference, if needed).
Government participants should only speak when requested by the PCO with discussions tightly controlled.
Additional questions may be answered during the debrief. DFARS Subpart 215.506-70 and DoD Source Selection Procedures Appendix A both provide specific guidance and timeframes for handling questions received during or following the debrief of offerors. Note: When providing a required postaward debriefing to successful and unsuccessful offerors, pay careful attention to the procedures and timeframes in DFARS 215.506-70. The number of days for these actions are in business days , not calendar days.
The postaward debriefing is NOT considered concluded until all criteria specified in the DFARS and DoD Source Selection Guide has been properly met or performed.
☐ Ensure redacted SSDD is legally sufficient, as applicable, and all actions are performed timely per DFARS and DoD Source Selection Procedures.
The Post Debriefing Memorandum
☐ The PCO must include a summary of each debriefing as a record in the contract file. This post-

debriefing memorandum should include, at a minimum:

- o A list of all debriefing attendees;
- o A summary of the information disclosed during the debriefing. (The most efficient means for doing this is to attach the debriefing slides to the memorandum.);
- o The offeror's request for a debriefing, if any;
- o The substance of all questions and answers discussed at, or provided subsequent to, the debriefing. This includes previously submitted questions, any hand-outs, and a list of written questions/answers;
- o Any other relevant documents.
