

4-400 General.

(a) Contractor's assistance in screening shall be requested on provisioned and replenishment parts after consideration of the benefit expected from the contractor's technical information and the cost to the Government of obtaining such assistance.

(b) Contractor's assistance shall not be requested for parts covered by Government/industry specifications, commercially available parts or parts for which data is already available.

(c) Arrangements entered into with contractors to obtain technical information shall provide that—

(1) Contractors will exert their best effort to make impartial technical evaluations using applicable technical data and the experience of competent personnel; and

(2) No costs to the Government will be incurred for duplicate screening of parts.
