(Revised June 27, 2000)

219.1005 Applicability.

(a)(3)(A) Architect-engineering services in support of military construction projects or military family housing projects are exempt from the Small Business Competitiveness Demonstration Program, except for the emerging small business (ESB) set-aside requirements. Accordingly, these shall—

(1) Be reviewed for possible award under the 8(a) Program regardless of dollar value.

(2) Not be set-aside for small business if the estimated value is \$85,000 or more (including indefinite delivery-indefinite quantity contracts if the value of all anticipated orders exceeds \$85,000).

(3) Be considered for ESB set-aside if the estimated value is both less than the emerging small business reserve amount and less than \$85,000.

(4) Be considered for small business set-aside if the estimated value is less than \$85,000, regardless of whether small business set-asides for other architect-engineer services are prohibited under the Small Business Competitiveness Demonstration Program, when an ESB set-aside is not appropriate.

(B) All requirements of the Small Business Competitiveness Demonstration Program apply to architect-engineer services in support of other than military construction projects or military housing projects, which otherwise meet the criteria at FAR 19.1005(a)(3).
