This subpart implements Section 886 and Section 892 of the National Defense Authorization Act for Fiscal Year 2008 (Pub. L. 110-181).

225.7701 Definitions.

As used in this subpart—

“Product from Iraq or Afghanistan” means a product that is mined, produced, or manufactured in Iraq or Afghanistan.

“Service from Iraq or Afghanistan” means a service including construction that is performed in Iraq or Afghanistan predominantly by citizens or permanent resident aliens of Iraq or Afghanistan.

“Small arms” means pistols and other weapons less than 0.50 caliber.

“Source from Iraq or Afghanistan” means a source that—

- (1) Is located in Iraq or Afghanistan; and
- (2) Offers products or services from Iraq or Afghanistan.

225.7702 Acquisition of small arms.

(a) Except as provided in paragraph (b) of this section, when acquiring small arms for assistance to the Army of Iraq, the Army of Afghanistan, the Iraqi Police Forces, the Afghani Police Forces, or other Iraqi or Afghani security organizations—

(1) Use full and open competition to the maximum extent practicable, consistent with the provisions of 10 U.S.C. 2304;

(2) If use of other than full and open competition is justified in accordance with FAR Subpart 6.3, ensure that—

(i) No responsible U.S. manufacturer is excluded from competing for the acquisition; and

(ii) Products manufactured in the United States are not excluded from the competition; and

(3) If the exception at FAR 6.302-2 (unusual and compelling urgency) applies, do not exclude responsible U.S. manufacturers or products manufactured in the United States from the competition for the purpose of administrative expediency. However, such an offer may be rejected if it does not meet delivery schedule requirements.

(b) Paragraph (a)(2) of this section does not apply when—

(1) The exception at FAR 6.302-1 (only one or a limited number of responsible sources) applies, and the only responsible source or sources are not U.S. manufacturers or are not offering products manufactured in the United States; or

(2) The exception at FAR 6.302-4 (international agreement) applies, and United States manufacturers or products manufactured in the United States are not the source(s) specified in the written directions of the foreign government reimbursing the agency for the cost of the acquisition of the property or services for such government.

225.7703 Acquisition of products or services other than small arms.

225.7703-1 Acquisition procedures.

(a) Subject to the requirements of 225.7703-2, a product or service (including construction), other than small arms, in support of operations in Iraq or Afghanistan, may be acquired by—

(1) Providing a preference for products or services from Iraq or Afghanistan in accordance with the evaluation procedures at 225.7703-3;

(2) Limiting competition to products or services from Iraq or Afghanistan; or

(3) Using procedures other than competitive procedures to award a contract to a particular source or sources from Iraq or Afghanistan. When other than competitive procedures are used, the contracting officer shall document the contract file with the rationale for selecting the particular source(s).

(b) For acquisitions conducted using a procedure specified in paragraph (a) of this subsection, the justification and approval addressed in FAR Subpart 6.3 is not required.

225.7703-2 Determination requirements.

Before use of a procedure specified in 225.7703-1(a), a written determination must be prepared and executed as follows:

(a) For products or services to be used only by the military forces, police, or other security personnel of Iraq or Afghanistan, the contracting officer shall—

(1) Determine in writing that the product or service is to be used only by the military forces, police, or other security personnel of Iraq or Afghanistan; and

(2) Include the written determination in the contract file.

(b) For products or services not limited to use by the military forces, police, or other security personnel of Iraq or Afghanistan, the following requirements apply:

(1) The appropriate official specified in paragraph (b)(2) of this subsection must determine in writing that it is in the national security interest of the United States to use a procedure specified in 225.7703-1(a), because—

(i) The procedure is necessary to provide a stable source of jobs in Iraq or Afghanistan; and

(ii) Use of the procedure will not adversely affect—

(A) Operations in Iraq or Afghanistan (including security, transition, reconstruction, and humanitarian relief activities); or

(B) The U.S. industrial base. The authorizing official generally may presume that there will not be an adverse effect on the U.S. industrial base. However, when in doubt, the authorizing official should coordinate with the applicable subject matter expert specified in PGI 225.7703-2(b).

(2) Determinations may be made for an individual acquisition or a class of acquisitions meeting the criteria in paragraph (b)(1) of this subsection as follows:

(i) The head of the contacting activity is authorized to make a determination that applies to an individual acquisition with a value of less than \$78.5 million.
