(Revised June 29, 2011)

PGI 204.70—UNIFORM PROCUREMENT INSTRUMENT IDENTIFICATION NUMBERS

PGI 204.7001 Policy.

(c)(i) Continued contracts are issued solely for administrative reasons and do not constitute a new procurement. When issuing a continued contract, the contracting officer shall—

(A) Obtain approval at a level above the contracting officer before issuance of the continued contract;

(B) Assign a procurement instrument identification (PII) number to the continued contract that is different from the PII number assigned to the predecessor contract, using the uniform PII numbering system prescribed in DFARS [204.7002](#), [204.7003](#), and [204.7004](#). The predecessor contract will retain the PII number originally assigned to it;

(C) Find a clear breaking point (for example, between issuance of orders, exercise of options, or establishment of a new line of accounting) to issue the continued contract;

(D) Clearly segregate contractual requirements for purposes of Government inspection, acceptance, payment, and closeout. Supplies already delivered and services already performed under the predecessor contract will remain under the predecessor contract. This will allow the predecessor contract to be closed out when all inspection, acceptance, payment, and other closeout issues associated with supplies delivered and services performed under the predecessor contract are complete;

(E) Include in the continued contract all terms and conditions of the predecessor contract that pertain to the supplies and services yet to be delivered or performed. At the time it is issued, the continued contract may not in any way alter the prices or terms and conditions established in the predecessor contract;

(F) Not evade competition, expand the scope of work, or extend the period of performance beyond that of the predecessor contract;

(G) Provide advance notice to the contractor before issuance of the continued contract, to include the PII number and the effective date of the continued contract;

(H) Modify the predecessor contract to—
