

GSA ORDER

Subject: General Services Administration Acquisition Manual; GSAR Case 2022-G518,
Update to OMB Approval Table for Paperwork Reduction Act

1. Purpose. This order transmits a revision to the General Services Administration Acquisition Regulation (GSAR) to update the table of approved acquisition related information collections from the Office of Management and Budget (OMB) under the Paperwork Reduction Act.
2. Background. The Paperwork Reduction Act of 1980 (44 U.S.C. 35, et seq.) imposes a requirement on Federal agencies to obtain approval from the Office of Management and Budget (OMB) before collecting information from 10 or more members of the public. The General Services Acquisition Regulation (GSAR) at 501.106 includes a table that identifies all OMB approved control numbers for GSA and the FAR that are applicable to GSA acquisition requirements. As part of the regulatory review process, GSA realized that the table required a correction to the listed OMB control number pertaining to GSAR clause 552.238-85.
3. Effective date. September 8, 2023
4. Explanation of changes. This amendment includes regulatory changes. For full text changes of the amendment see Attachment A, GSAR Text Line-In/Line-Out.

This amendment revises the language of the following regulatory GSAR subparts, changes summarized below:

- 501.106 - OMB Approval under the Paperwork Reduction Act: amended table by removing OMB control number 3090-0303 and adding OMB control numbers 3090-0235 and 3090-0306 from the entry for GSAR clause 552.238-85.
5. Point of contact. For clarification of content, contact Mr. Curtis Hauschildt, GSA Acquisition Policy Division, at gsarpolicy@gsa.gov.
