FAC 2005-43 SUMMARY OF ITEMS

Federal Acquisition Circular (FAC) 2005-43 amends the Federal Acquisition Regulation (FAR) as specified below:

Item I—Government Property (FAR Case 2008-011)

This final rule amends the FAR to revise FAR part 45 and its associated clauses. Changes are being made to FAR parts 2, 4, 15, 32, 42, 45, and 52. These changes are to clarify and correct the previous FAR rule for part 45, Government Property, published under Federal Acquisition Circular 2005-17, FAR case 2004-025, May 15, 2007, (72 FR 27364). Minor changes are made to the proposed rule published August 6, 2009 (74 FR 39262).

The rule specifically impacts contracting officers, property administrators, and contractors responsible for the management of Government property. The rule does not affect the method of managing Government property. The rule merely clarifies and corrects the previous FAR rule.

Item II—Registry of Disaster Response Contractors (FAR Case 2008-035)

This final rule adopts, without change, the interim rule implementing Pub. L. 109-295, the Department of Homeland Security Appropriations Act, 2007, section 697, which requires the establishment and maintenance of a registry of disaster response contractors. The Disaster Response Registry is located at www.ccr.gov. The Federal Emergency Management Agency (within the Department of Homeland Security) has a link to the registry for vendors on its website at <http://www.fema.gov/business/contractor.shtm>. The Registry covers domestic disaster and emergency relief activities.

Replacement pages: None.

**Item III–Recovery Act Subcontract Reporting Procedures
(FAR Case 2010-008) (Interim)**

This interim rule amends the FAR to revise the clause at FAR 52.204-11, American Recovery and Reinvestment Act–Reporting Requirements. The revised clause will require first-tier subcontractors with Recovery Act funded awards of \$25,000 or more, to report jobs information to the prime contractor for reporting into FederalReporting.gov. It also will require the prime contractor to submit its first report on or before the 10th day after the end of the calendar quarter in which the prime contractor received the award, and quarterly thereafter.

The revised clause will be used for all new solicitations and awards issued on or after the effective date of this interim rule. This clause is not required for any existing contracts, or task and delivery orders issued under a contract, that contain the original clause FAR 52.204-11 (March 2009). Therefore, this interim rule does not require renegotiation of existing Recovery Act contracts that include the clause dated March 2009.

Replacement pages: 4.15-1 and 4.15-2; 52.2-12.1 and 52.2-12.2 (52.2-12.3 and 52.2-12.4 removed); and 52.2-39 and 52.2-40.

**Item IV–Clarification of Criteria for Sole Source Awards to
Service-disabled Veteran-owned Small Business Concerns
(FAR Case 2008-023)**

This final rule amends FAR 19.1406(a) to clarify the criteria that need to be met in order to conduct a sole source service-disabled veteran-owned small business (SDVOSB) concern acquisition. The FAR language is amended to be consistent with the Veterans Benefit Act of 2003 (15 U.S.C. 657f) and the Small Business Administration’s regulation (13 CFR 125.20) that implements the Act. This final rule also amends FAR 19.1306(a) to clarify the criteria that need to be met in order to conduct a sole source for Historically Underutilized Business Zone (HUBZone) small business concern acquisitions. These amendments to the FAR alleviate confusion for contracting officers on the appropriate use of the criteria needed to conduct sole source HUBZONE small business and SDVOSB concern acquisitions.

Replacement pages: 19.13-1 and 19.13-2; and 19.14-1 and 19.14-2.

Item V—Trade Agreements Thresholds (FAR Case 2009-040) (Interim)

This interim rule adjusts the thresholds for application of the World Trade Organization Government Procurement Agreement and the free trade agreements as determined by the United States Trade Representative, according to a pre-determined formula under the agreements.

Replacement pages: 22.15-1 and 22.15-2; 25.2-1 and 25.2-2; 25.4-3 and 25.4-4; 25.5-1 and 25.5-2; 25.6-1 and 25.6-2; 25.11-1 and 25.11-2; 52.2-39 and 52.2-40; 52.2-42.1 and 52.2-42.2; and 52.2-111 and 52.2-112.

Subpart 4.15—American Recovery and Reinvestment Act—Reporting Requirements

4.1500 Scope of subpart.

This subpart implements section 1512(c) of Division A of the American Recovery and Reinvestment Act of 2009 (Pub. L. 111-5) (Recovery Act), which requires, as a condition of receipt of funds, quarterly reporting on the use of funds. The subpart also implements the data elements of the Federal Funding Accountability and Transparency Act of 2006, as amended (Pub. L. 109-282). Contractors that receive awards (or modifications to existing awards) funded, in whole or in part by the Recovery Act, must report information including, but not limited to—

- (a) The dollar amount of contractor invoices;
- (b) The supplies delivered and services performed;
- (c) An assessment of the completion status of the work;
- (d) An estimate of the number of jobs created and the number of jobs retained as a result of the Recovery Act funds;
- (e) Names and total compensation of each of the five most highly compensated officers for the calendar year in which the contract is awarded; and
- (f) Specific information on first-tier subcontractors.

4.1501 Procedures.

(a) In any contract action funded in whole or in part by the Recovery Act, the contracting officer shall indicate that the contract action is being made under the Recovery Act, and indicate which products or services are funded under the Recovery Act. This requirement applies whenever Recovery Act funds are used, regardless of the contract instrument.

(b) To maximize transparency of Recovery Act funds that must be reported by the contractor, the contracting officer

shall structure contract awards to allow for separately tracking Recovery Act funds. For example, the contracting officer may consider awarding dedicated separate contracts when using Recovery Act funds or establishing contract line item number (CLIN) structures to mitigate commingling of Recovery funds with other funds.

(c) Contracting officers shall ensure that the contractor complies with the reporting requirements of [52.204-11](#), American Recovery and Reinvestment Act—Reporting Requirements. If the contractor fails to comply with the reporting requirements, the contracting officer shall exercise appropriate contractual remedies.

(d) The contracting officer shall make the contractor’s failure to comply with the reporting requirements a part of the contractor’s performance information under [Subpart 4.15](#).

4.1502 Contract clause.

Insert the clause at [52.204-11](#), American Recovery and Reinvestment Act—Reporting Requirements in all solicitations and contracts funded in whole or in part with Recovery Act funds, except classified solicitations and contracts. This includes, but is not limited to, Governmentwide Acquisition Contracts (GWACs), multi-agency contracts (MACs), Federal Supply Schedule (FSS) contracts, or agency indefinite-delivery/indefinite-quantity (ID/IQ) contracts that will be funded with Recovery Act funds. Contracting officers shall include this clause in any existing contract or order that will be funded with Recovery Act funds. Contracting officers may not use Recovery Act funds on existing contracts and orders if the clause at [52.204-11](#) is not incorporated. This clause is not required for any existing contracts, or task and delivery orders issued under a contract, that contains the original clause FAR [52.204-11](#) (March 2009).

Subpart 22.15—Prohibition of Acquisition of Products Produced by Forced or Indentured Child Labor

22.1500 Scope.

This subpart applies to acquisitions of supplies that exceed the micro-purchase threshold.

22.1501 Definitions.

As used in this subpart—

“Forced or indentured child labor” means all work or service—

(1) Exacted from any person under the age of 18 under the menace of any penalty for its nonperformance and for which the worker does not offer himself voluntarily; or

(2) Performed by any person under the age of 18 pursuant to a contract the enforcement of which can be accomplished by process or penalties.

“List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor” means the list published by the Department of Labor in accordance with E.O. 13126 of June 12, 1999, Prohibition of Acquisition of Products Produced by Forced or Indentured Child Labor. The list identifies products, by their country of origin, that the Departments of Labor, Treasury, and State have a reasonable basis to believe might have been mined, produced, or manufactured by forced or indentured child labor.

22.1502 Policy.

Agencies must take appropriate action to enforce the laws prohibiting the manufacture or importation of products that have been mined, produced, or manufactured wholly or in part by forced or indentured child labor ([19 U.S.C. 1307](#), [29 U.S.C. 201](#), *et seq.*, and [41 U.S.C. 35](#), *et seq.*). Agencies should make every effort to avoid acquiring such products.

22.1503 Procedures for acquiring end products on the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor.

(a) When issuing a solicitation for supplies expected to exceed the micro-purchase threshold, the contracting officer must check the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor (the List) (www.dol.gov/ilab/) (see [22.1505\(a\)](#)). Appearance of a product on the List is not a bar to purchase of any such product mined, produced, or manufactured in the identified country, but rather is an alert that there is a reasonable basis to believe that such product may have been mined, produced, or manufactured by forced or indentured child labor.

(b) The requirements of this subpart that result from the appearance of any end product on the List do not apply to a solicitation or contract if the identified country of origin on the List is—

(1) Canada, and the anticipated value of the acquisition is \$25,000 or more ([Subpart 25.4](#));

(2) Israel, and the anticipated value of the acquisition is \$50,000 or more (see [25.406](#));

(3) Mexico, and the anticipated value of the acquisition is \$70,079 or more (see [Subpart 25.4](#)); or

(4) Aruba, Austria, Belgium, Bulgaria, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hong Kong, Hungary, Iceland, Ireland, Italy, Japan, Korea, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Singapore, Slovak Republic, Slovenia, Spain, Sweden, Switzerland, Taiwan, or the United Kingdom and the anticipated value of the acquisition is \$203,000 or more (see [25.402\(b\)](#)).

(c) Except as provided in paragraph (b) of this section, before the contracting officer may make an award for an end product (regardless of country of origin) of a type identified by country of origin on the List the offeror must certify that—

(1) It will not supply any end product on the List that was mined, produced, or manufactured in a country identified on the List for that product, as specified in the solicitation by the contracting officer in the Certification Regarding Knowledge of Child Labor for Listed End Products; or

(2)(i) It has made a good faith effort to determine whether forced or indentured child labor was used to mine, produce, or manufacture any end product to be furnished under the contract that is on the List and was mined, produced, or manufactured in a country identified on the List for that product; and

(ii) On the basis of those efforts, the offeror is unaware of any such use of child labor.

(d) Absent any actual knowledge that the certification is false, the contracting officer must rely on the offerors' certifications in making award decisions.

(e) Whenever a contracting officer has reason to believe that forced or indentured child labor was used to mine, produce, or manufacture an end product furnished pursuant to a contract awarded subject to the certification required in paragraph (c) of this section, the contracting officer must refer the matter for investigation by the agency's Inspector General, the Attorney General, or the Secretary of the Treasury, whichever is determined appropriate in accordance with agency procedures, except to the extent that the end product is from the country listed in paragraph (b) of this section, under a contract exceeding the applicable threshold.

(f) Proper certification will not prevent the head of an agency from imposing remedies in accordance with section [22.1504\(a\)\(4\)](#) if it is later discovered that the contractor has furnished an end product or component that has in fact been mined, produced, or manufactured, wholly or in part, using forced or indentured child labor.

22.1504 Violations and remedies.

(a) *Violations.* The Government may impose remedies set forth in paragraph (b) of this section for the following violations (note that the violations in paragraphs (a)(3) and (a)(4) of this section go beyond violations of the requirements relating to certification of end products) (see [22.1503](#)):

(1) The contractor has submitted a false certification regarding knowledge of the use of forced or indentured child labor.

(2) The contractor has failed to cooperate as required in accordance with the clause at [52.222-19](#), Child Labor Cooperation with Authorities and Remedies, with an investigation of the use of forced or indentured child labor by an Inspector General, the Attorney General, or the Secretary of the Treasury.

(3) The contractor uses forced or indentured child labor in its mining, production, or manufacturing processes.

(4) The contractor has furnished an end product or component mined, produced, or manufactured, wholly or in part, by forced or indentured child labor. Remedies in paragraphs (b)(2) and (b)(3) of this section are inappropriate unless the contractor knew of the violation.

(b) *Remedies.* (1) The contracting officer may terminate the contract.

(2) The suspending official may suspend the contractor in accordance with the procedures in [Subpart 9.4](#).

(3) The debarring official may debar the contractor for a period not to exceed 3 years in accordance with the procedures in [Subpart 9.4](#).

22.1505 Solicitation provision and contract clause.

(a) Except as provided in paragraph (b) of [22.1503](#), insert the provision at [52.222-18](#), Certification Regarding Knowledge of Child Labor for Listed End Products, in all solicitations that are expected to exceed the micro-purchase threshold and are for the acquisition of end products (regardless of country of origin) of a type identified by country of origin on the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, except solicitations for commercial items that include the provision at [52.212-3](#), Offeror Representations and Certifications—Commercial Items. The contracting officer must identify in paragraph (b) of the provision at [52.222-18](#), Certification Regarding Knowledge of Child Labor for Listed End Products, or paragraph (i)(1) of the provision at [52.212-3](#), any applicable end products and countries of origin from the List. For solicitations estimated to equal or exceed \$25,000, the contracting officer must exclude from the List in the solicitation end products from any countries identified at [22.1503](#)(b), in accordance with the specified thresholds.

(b) Insert the clause at [52.222-19](#), Child Labor—Cooperation with Authorities and Remedies, in all solicitations and contracts for the acquisition of supplies that are expected to exceed the micro-purchase thresholds.

Subpart 25.2—Buy American Act— Construction Materials

25.200 Scope of Subpart.

- (a) This subpart implements—
- (1) The Buy American Act ([41 U.S.C. 10a - 10d](#));
 - (2) Executive Order 10582, December 17, 1954; and
 - (3) Waiver of the component test of the Buy American Act for acquisitions of commercially available off-the-shelf (COTS) items in accordance with [41 U.S.C. 431](#).
- (b) It applies to contracts for the construction, alteration, or repair of any public building or public work in the United States.
- (c) When using funds appropriated or otherwise provided by the American Recovery and Reinvestment Act of 2009 (Pub. L. 111-5) (Recovery Act) for construction, see [Subpart 25.6](#).

25.201 Policy.

Except as provided in [25.202](#), use only domestic construction materials in construction contracts performed in the United States.

25.202 Exceptions.

- (a) When one of the following exceptions applies, the contracting officer may acquire foreign construction materials without regard to the restrictions of the Buy American Act:
- (1) *Impracticable or inconsistent with public interest.* The head of the agency may determine that application of the restrictions of the Buy American Act to a particular construction material would be impracticable or would be inconsistent with the public interest. The public interest exception applies when an agency has an agreement with a foreign government that provides a blanket exception to the Buy American Act.
 - (2) *Nonavailability.* The head of the contracting activity may determine that a particular construction material is not mined, produced, or manufactured in the United States in sufficient and reasonably available commercial quantities of a satisfactory quality. The determinations of nonavailability of the articles listed at [25.104\(a\)](#) and the procedures at [25.103\(b\)\(1\)](#) also apply if any of those articles are acquired as construction materials.
 - (3) *Unreasonable cost.* The contracting officer concludes that the cost of domestic construction material is unreasonable in accordance with [25.204](#).

(b) *Determination and findings.* When a determination is made for any of the reasons stated in this section that certain foreign construction materials may be used, the contracting officer must list the excepted materials in the contract. The agency must make the findings justifying the exception available for public inspection.

(c) *Acquisitions under trade agreements.* For construction contracts with an estimated acquisition value of \$7,804,000 or more, see [Subpart 25.4](#).

25.203 Preaward determinations.

(a) For any acquisition, an offeror may request from the contracting officer a determination concerning the inapplicability of the Buy American Act for specifically identified construction materials. The time for submitting the request is specified in the solicitation in paragraph (b) of either [52.225-10](#) or [52.225-12](#), whichever applies. The information and supporting data that must be included in the request are also specified in the solicitation in paragraphs (c) and (d) of either [52.225-9](#) or [52.225-11](#), whichever applies.

(b) Before award, the contracting officer must evaluate all requests based on the information provided and may supplement this information with other readily available information.

25.204 Evaluating offers of foreign construction material.

(a) Offerors proposing to use foreign construction material other than that listed by the Government in the applicable clause at [52.225-9](#), paragraph (b)(2), or [52.225-11](#), paragraph (b)(3), or covered by the WTO GPA or a Free Trade Agreement (paragraph (b)(2) of [52.225-11](#)), must provide the information required by paragraphs (c) and (d) of the respective clauses.

(b) Unless the head of the agency specifies a higher percentage, the contracting officer must add to the offered price 6 percent of the cost of any foreign construction material proposed for exception from the requirements of the Buy American Act based on the unreasonable cost of domestic construction materials. In the case of a tie, the contracting officer must give preference to an offer that does not include foreign construction material excepted at the request of the offeror on the basis of unreasonable cost.

(c) Offerors also may submit alternate offers based on use of equivalent domestic construction material to avoid possible rejection of the entire offer if the Government determines that an exception permitting use of a particular foreign construction material does not apply.

(d) If the contracting officer awards a contract to an offeror that proposed foreign construction material not listed in the applicable clause in the solicitation (paragraph (b)(2) of [52.225-9](#), or paragraph (b)(3) of [52.225-11](#)), the contracting officer must add the excepted materials to the list in the contract clause.

25.205 Postaward determinations.

(a) If a contractor requests a determination regarding the inapplicability of the Buy American Act after contract award, the contractor must explain why it could not request the determination before contract award or why the need for such

determination otherwise was not reasonably foreseeable. If the contracting officer concludes that the contractor should have made the request before contract award, the contracting officer may deny the request.

(b) The contracting officer must base evaluation of any request for a determination regarding the inapplicability of the Buy American Act made after contract award on information required by paragraphs (c) and (d) of the applicable clause at [52.225-9](#) or [52.225-11](#) and/or other readily available information.

(c) If a determination, under [25.202\(a\)](#), is made after contract award that an exception to the Buy American Act applies, the contracting officer must negotiate adequate consideration and modify the contract to allow use of the foreign construction material. When the basis for the exception is the unreasonable price of a domestic construction material, adequate consideration is at least the differential established in [25.202\(a\)](#) or in accordance with agency procedures.

25.206 Noncompliance.

The contracting officer must—

- (a) Review allegations of Buy American Act violations;
- (b) Unless fraud is suspected, notify the contractor of the apparent unauthorized use of foreign construction material and request a reply, to include proposed corrective action; and
- (c) If the review reveals that a contractor or subcontractor has used foreign construction material without authorization, take appropriate action, including one or more of the following:

- (1) Process a determination concerning the inapplicability of the Buy American Act in accordance with [25.205](#).

- (2) Consider requiring the removal and replacement of the unauthorized foreign construction material.

- (3) If removal and replacement of foreign construction material incorporated in a building or work would be impracticable, cause undue delay, or otherwise be detrimental to the interests of the Government, the contracting officer may determine in writing that the foreign construction material need not be removed and replaced. A determination to retain foreign construction material does not constitute a determination that an exception to the Buy American Act applies, and this should be stated in the determination. Further, a determination to retain foreign construction material does not affect the Government's right to suspend or debar a contractor, subcontractor, or supplier for violation of the Buy American Act, or to exercise other contractual rights and remedies, such as reducing the contract price or terminating the contract for default.

- (4) If the noncompliance is sufficiently serious, consider exercising appropriate contractual remedies, such as terminating the contract for default. Also consider preparing and forwarding a report to the agency suspending or debarring official in accordance with [Subpart 9.4](#). If the noncompliance appears to be fraudulent, refer the matter to other appropriate agency officials, such as the officer responsible for criminal investigation.

25.402 General.

(a)(1) The Trade Agreements Act ([19 U.S.C. 2501](#), *et seq.*) provides the authority for the President to waive the Buy American Act and other discriminatory provisions for eligible products from countries that have signed an international trade agreement with the United States, or that meet certain other criteria, such as being a least developed country. The President has delegated this waiver authority to the U.S. Trade Representative. In acquisitions covered by the WTO GPA, Free Trade Agreements, or the Israeli Trade Act, the USTR has waived the Buy American Act and other discriminatory provisions for eligible products. Offers of eligible products receive equal consideration with domestic offers.

(2) The contracting officer shall determine the origin of services by the country in which the firm providing the services is established. See [Subpart 25.5](#) for evaluation procedures for supply contracts covered by trade agreements.

(b) The value of the acquisition is a determining factor in the applicability of trade agreements. Most of these dollar thresholds are subject to revision by the U.S. Trade Representative approximately every 2 years. The various thresholds are summarized as follows:

Trade Agreement	Supply Contract (equal to or exceeding)	Service Contract (equal to or exceeding)	Construction Contract (equal to or exceeding)
WTO GPA	\$203,000	\$203,000	\$7,804,000
FTAs

Peru FTA	203,000	203,000	7,804,000

Israeli Trade Act	50,000	—	—

25.403 World Trade Organization Government

Procurement Agreement and Free Trade Agreements.

(a) Eligible products from WTO GPA and FTA countries are entitled to the nondiscriminatory treatment specified in [25.402\(a\)\(1\)](#). The WTO GPA and FTAs specify procurement procedures designed to ensure fairness (see [25.408](#)).

(b) *Thresholds.* (1) To determine whether the acquisition of products by lease, rental, or lease-purchase contract (including lease-to-ownership, or lease-with-option-to purchase) is covered by the WTO GPA or an FTA, calculate the estimated acquisition value as follows:

(i) If a fixed-term contract of 12 months or less is contemplated, use the total estimated value of the acquisition.

(ii) If a fixed-term contract of more than 12 months is contemplated, use the total estimated value of the acquisition plus the estimated residual value of the leased equipment at the conclusion of the contemplated term of the contract.

(iii) If an indefinite-term contract is contemplated, use the estimated monthly payment multiplied by the total number of months that ordering would be possible under the proposed contract, *i.e.*, the initial ordering period plus any optional ordering periods.

(iv) If there is any doubt as to the contemplated term of the contract, use the estimated monthly payment multiplied by 48.

(2) The estimated value includes the value of all options.

(3) If, in any 12-month period, recurring or multiple awards for the same type of product or products are anticipated, use the total estimated value of these projected awards to determine whether the WTO GPA or an FTA applies. Do not divide any acquisition with the intent of reducing the estimated value of the acquisition below the dollar threshold of the WTO GPA or an FTA.

(c) *Purchase restriction.* (1) Under the Trade Agreements Act ([19 U.S.C. 2512](#)), in acquisitions covered by the WTO GPA, acquire only U.S.-made or designated country end products or U.S. or designated country services, unless offers for such end products or services are either not received or are insufficient to fulfill the requirements. This purchase restriction does not apply below the WTO GPA threshold for supplies and services, even if the acquisition is covered by an FTA.

(2) This restriction does not apply to purchases of supplies by the Department of Defense from a country with which it has entered into a reciprocal agreement, as provided in departmental regulations.

25.404 Least developed countries.

For acquisitions covered by the WTO GPA, least developed country end products, construction material, and services must be treated as eligible products.

25.405 Caribbean Basin Trade Initiative.

Under the Caribbean Basin Trade Initiative, the United States Trade Representative has determined that, for acquisitions covered by the WTO GPA, Caribbean Basin country end products, construction material, and services must be treated as eligible products. In accordance with Section 201 (a)(3) of the Dominican Republic-Central America-United States Free Trade Implementation Act (Pub. L. 109-53), when the CAFTA-DR agreement enters into force with respect to a country, that country is no longer designated as a beneficiary country for purposes of the Caribbean Basin Economic Recovery Act, and is therefore no longer included in the definition of “Caribbean Basin country” for purposes of the Caribbean Basin Trade Initiative.

25.406 Israeli Trade Act.

Acquisitions of supplies by most agencies are covered by the Israeli Trade Act, if the estimated value of the acquisition is \$50,000 or more but does not exceed the WTO GPA threshold for supplies (see [25.402\(b\)](#)). Agencies other than the Department of Defense, the Department of Energy, the Department of Transportation, the Bureau of Reclamation of the Department of the Interior, the Federal Housing Finance Board, and the Office of Thrift Supervision must evaluate offers of Israeli end products without regard to the restrictions of the Buy American Act. The Israeli Trade Act does not prohibit the purchase of other foreign end products.

25.407 Agreement on Trade in Civil Aircraft.

Under the authority of Section 303 of the Trade Agreements Act, the U.S. Trade Representative has waived the Buy

American Act for civil aircraft and related articles, that meet the substantial transformation test of the Trade Agreements Act, from countries that are parties to the Agreement on Trade in Civil Aircraft. Those countries are Austria, Belgium, Bulgaria, Canada, Denmark, Egypt, Finland, France, Germany, Greece, Ireland, Italy, Japan, Luxembourg, Macao, the Netherlands, Norway, Portugal, Romania, Spain, Sweden, Switzerland, and the United Kingdom.

25.408 Procedures.

(a) If the WTO GPA or an FTA applies (see [25.401](#)), the contracting officer must—

(1) Comply with the requirements of [5.203](#), Publicizing and response time;

(2) Comply with the requirements of [5.207](#), Preparation and transmittal of synopses;

(3) Not include technical requirements in solicitations solely to preclude the acquisition of eligible products;

(4) Specify in solicitations that offerors must submit offers in the English language and in U.S. dollars (see [52.214-34](#), Submission of Offers in the English Language, and [52.214-35](#), Submission of Offers in U.S. Currency, or paragraph (c)(5) of [52.215-1](#), Instruction to Offerors—Competitive Acquisitions); and

(5) Provide unsuccessful offerors from WTO GPA or FTA countries notice in accordance with [14.409-1](#) or [15.503](#).

(b) See [Subpart 25.5](#) for evaluation procedures and examples.

**Subpart 25.5—Evaluating Foreign Offers—
Supply Contracts**

25.501 General.

The contracting officer—

- (a) Must apply the evaluation procedures of this subpart to each line item of an offer unless either the offer or the solicitation specifies evaluation on a group basis (see [25.503](#));
- (b) May rely on the offeror’s certification of end product origin when evaluating a foreign offer;
- (c) Must identify and reject offers of end products that are prohibited in accordance with [Subpart 25.7](#); and
- (d) Must not use the Buy American Act evaluation factors prescribed in this subpart to provide a preference for one foreign offer over another foreign offer.

25.502 Application.

- (a) Unless otherwise specified in agency regulations, perform the following steps in the order presented:
 - (1) Eliminate all offers or offerors that are unacceptable for reasons other than price; *e.g.*, nonresponsive, debarred or suspended, or a prohibited source (see [Subpart 25.7](#)).
 - (2) Rank the remaining offers by price.
 - (3) If the solicitation specifies award on the basis of factors in addition to cost or price, apply the evaluation factors as specified in this section and use the evaluated cost or price in determining the offer that represents the best value to the Government.
- (b) For acquisitions covered by the WTO GPA (see [Subpart 25.4](#))—
 - (1) Consider only offers of U.S.-made or designated country end products, unless no offers of such end products were received;
 - (2) If the agency gives the same consideration given eligible offers to offers of U.S.-made end products that are not domestic end products, award on the low offer. Otherwise, evaluate in accordance with agency procedures; and
 - (3) If there were no offers of U.S.-made or designated country end products, make a nonavailability determination (see [25.103](#)(b)(2)) and award on the low offer (see [25.403](#)(c)).
- (c) For acquisitions not covered by the WTO GPA, but subject to the Buy American Act (an FTA or the Israeli Trade Act also may apply), the following applies:
 - (1) If the low offer is a domestic offer or an eligible offer under an FTA or the Israeli Trade Act, award on that offer.
 - (2) If the low offer is a noneligible offer and there were no domestic offers (see [25.103](#)(b)(3)), award on the low offer.
 - (3) If the low offer is a noneligible offer and there is an eligible offer that is lower than the lowest domestic offer, award on the low offer. The Buy American Act provides an evaluation preference only for domestic offers.
 - (4) Otherwise, apply the appropriate evaluation factor provided in [25.105](#) to the low offer.

- (i) If the evaluated price of the low offer remains less than the lowest domestic offer, award on the low offer.
- (ii) If the price of the lowest domestic offer is less than the evaluated price of the low offer, award on the lowest domestic offer.
- (d) *Ties.* (1) If application of an evaluation factor results in a tie between a domestic offer and a foreign offer, award on the domestic offer.
- (2) If no evaluation preference was applied (*i.e.*, offers afforded nondiscriminatory treatment under the Buy American Act), resolve ties between domestic and foreign offers by a witnessed drawing of lots by an impartial individual.
- (3) Resolve ties between foreign offers from small business concerns (under the Buy American Act, a small business offering a manufactured article that does not meet the definition of “domestic end product” is a foreign offer) or foreign offers from a small business concern and a large business concern in accordance with [14.408-6](#)(a).

25.503 Group offers.

- (a) If the solicitation or an offer specifies that award can be made only on a group of line items or on all line items contained in the solicitation or offer, reject the offer—
 - (1) If any part of the award would consist of prohibited end products (see [Subpart 25.7](#)); or
 - (2) If the acquisition is covered by the WTO GPA and any part of the offer consists of items restricted in accordance with [22.403](#)(c).
- (b) If an offer restricts award to a group of line items or to all line items contained in the offer, determine for each line item whether to apply an evaluation factor (see [25.504-4](#), Example 1).
 - (1) First, evaluate offers that do not specify an award restriction on a line item basis in accordance with [25.502](#), determining a tentative award pattern by selecting for each line item the offer with the lowest evaluated price.
 - (2) Evaluate an offer that specifies an award restriction against the offered prices of the tentative award pattern, applying the appropriate evaluation factor on a line item basis.
 - (3) Compute the total evaluated price for the tentative award pattern and the offer that specified an award restriction.
 - (4) Unless the total evaluated price of the offer that specified an award restriction is less than the total evaluated price of the tentative award pattern, award based on the tentative award pattern.
- (c) If the solicitation specifies that award will be made only on a group of line items or all line items contained in the solicitation, determine the category of end products on the basis of each line item, but determine whether to apply an evaluation factor on the basis of the group of items (see [25.504-4](#), Example 2).
 - (1) If the proposed price of domestic end products exceeds 50 percent of the total proposed price of the group,

evaluate the entire group as a domestic offer. Evaluate all other groups as foreign offers.

(2) For foreign offers, if the proposed price of domestic end products and eligible products exceeds 50 percent of the total proposed price of the group, evaluate the entire group as an eligible offer.

(3) Apply the evaluation factor to the entire group in accordance with [25.502](#).

25.504 Evaluation examples.

The following examples illustrate the application of the evaluation procedures in [25.502](#) and [25.503](#). The examples assume that the contracting officer has eliminated all offers that are unacceptable for reasons other than price or a trade agreement (see [25.502](#)(a)(1)). The evaluation factor may change as provided in agency regulations.

25.504-1 Buy American Act.

(a)(1) Example 1.

Offer A	\$12,000	Domestic end product, small business
Offer B	\$11,700	Domestic end product, small business
Offer C	\$10,000	U.S.-made end product (not domestic), small business

(2) *Analysis:* This acquisition is for end products for use in the United States and is set aside for small business concerns. The Buy American Act applies. Since the acquisition value is less than \$25,000 and the acquisition is set aside, none of the trade agreements apply. Perform the steps in [25.502](#)(a). Offer C is evaluated as a foreign end product because it is the product of a small business, but is not a domestic end product (see [25.502](#)(c)(4)). Since Offer B is a domestic offer, apply the 12 percent factor to Offer C (see [25.105](#)(b)(2)). The resulting evaluated price of \$11,200 remains lower than Offer B. The cost of Offer B is therefore unreasonable (see [25.105](#)(c)). Award on Offer C at \$10,000 (see [25.502](#)(c)(4)(i)).

(b)(1) Example 2.

Offer A	\$11,000	Domestic end product, small business
Offer B	\$10,700	Domestic end product, small business
Offer C	\$10,200	U.S.-made end product (not domestic), small business

(2) *Analysis:* This acquisition is for end products for use in the United States and is set aside for small business concerns. The Buy American Act applies. Perform the steps in [25.502](#)(a). Offer C is evaluated as a foreign end product because it is the product of a small business but is not a domestic end product (see [25.502](#)(c)(4)). After applying the

12 percent factor, the evaluated price of Offer C is \$11,424. Award on Offer B at \$10,700 (see [25.502](#)(c)(4)(ii)).

25.504-2 WTO GPA/Caribbean Basin Trade Initiative/ FTAs.

Example 1.

Offer A	\$304,000	U.S.-made end product (not domestic)
Offer B	\$303,000	U.S.-made end product (domestic), small business
Offer C	\$300,000	Eligible product
Offer D	\$295,000	Noneligible product (not U.S.-made)

Analysis: Eliminate Offer D because the acquisition is covered by the WTO GPA and there is an offer of a U.S.-made or an eligible product (see [25.502](#)(b)(1)). If the agency gives the same consideration given eligible offers to offers of U.S.-made end products that are not domestic offers, it is unnecessary to determine if U.S.-made end products are domestic (large or small business). No further analysis is necessary. Award on the low remaining offer, Offer C (see [25.502](#)(b)(2)).

25.504-3 FTA/Israeli Trade Act.

(a) Example 1.

Offer A	\$105,000	Domestic end product, small business
Offer B	\$100,000	Eligible product

Analysis: Since the low offer is an eligible offer, award on the low offer (see [25.502](#)(c)(1)).

(b) Example 2.

Offer A	\$105,000	Eligible product
Offer B	\$103,000	Noneligible product

Analysis: Since the acquisition is not covered by the WTO GPA, the contracting officer can consider the noneligible offer. Since no domestic offer was received, make a nonavailability determination and award on Offer B (see [25.502](#)(c)(2)).

(c) Example 3.

Offer A	\$105,000	Domestic end product, large business
Offer B	\$103,000	Eligible product
Offer C	\$100,000	Noneligible product

Analysis: Since the acquisition is not covered by the WTO GPA, the contracting officer can consider the noneligible offer. Because the eligible offer (Offer B) is lower than the domestic offer (Offer A), no evaluation factor applies to the low offer (Offer C). Award on the low offer (see [25.502](#)(c)(3)).

Subpart 25.6—American Recovery and Reinvestment Act—Buy American Act—Construction Materials

25.600 Scope of subpart.

This subpart implements section 1605 in Division A of the American Recovery and Reinvestment Act of 2009 (Pub. L. 111-5) (Recovery Act) and the Buy American Act. It applies to construction projects that use funds appropriated or otherwise provided by the Recovery Act.

25.601 Definitions.

As used in this subpart—

“Domestic construction material” means— (1) An unmanufactured construction material mined or produced in the United States; or

(2) A construction material manufactured in the United States.

“Foreign construction material” means a construction material other than a domestic construction material.

“Manufactured construction material” means any construction material that is not unmanufactured construction material.

“Recovery Act designated country” means a World Trade Organization Government Procurement Agreement country, a Free Trade Agreement country, or a least developed country.

“Steel” means an alloy that includes at least 50 percent iron, between .02 and 2 percent carbon, and may include other elements.

“Unmanufactured construction material” means raw material brought to the construction site for incorporation into the building or work that has not been—

(1) Processed into a specific form and shape; or

(2) Combined with other raw material to create a material that has different properties than the properties of the individual raw materials.

25.602 Policy.

Except as provided in [25.603](#)—

(a) None of the funds appropriated or otherwise made available by the Recovery Act may be used for a project for the construction, alteration, maintenance, or repair of a public building or public work (as defined at [22.401](#)) unless—

(1) The public building or public work is located in the United States; and

(2) All of the iron, steel, and other manufactured goods used as construction material in the project are produced or manufactured in the United States.

(i) Production in the United States of the iron or steel used as construction material requires that all manufacturing processes must take place in the United States, except metallurgical processes involving refinement of steel additives. These requirements do not apply to steel or iron used as com-

ponents or subcomponents of other manufactured construction material.

(ii) There is no requirement with regard to the origin of components or subcomponents in other manufactured construction material, as long as the manufacture of the construction material occurs in the United States.

(b) Use only domestic unmanufactured construction material, as required by the Buy American Act.

25.603 Exceptions.

(a) When one of the following exceptions applies, the contracting officer may allow the contractor to incorporate foreign construction materials without regard to the restrictions of section 1605 of the Recovery Act or the Buy American Act:

(1) *Nonavailability.* The head of the contracting activity may determine that a particular construction material is not mined, produced, or manufactured in the United States in sufficient and reasonably available commercial quantities of a satisfactory quality. The determinations of nonavailability of the articles listed at [25.104](#)(a) and the procedures at [25.103](#)(b)(1) also apply if any of those articles are acquired as construction materials.

(2) *Unreasonable cost.* The contracting officer concludes that the cost of domestic construction material is unreasonable in accordance with [25.605](#).

(3) *Inconsistent with public interest.* The head of the agency may determine that application of the restrictions of section 1605 of the Recovery Act or the Buy American Act to a particular construction material would be inconsistent with the public interest.

(b) *Determinations.* When a determination is made, for any of the reasons stated in this section, that certain foreign construction materials may be used—

(1) The contracting officer shall list the excepted materials in the contract; and

(2) The head of the agency shall publish a notice in the Federal Register within two weeks after the determination is made, unless the construction material has already been determined in the FAR to be domestically nonavailable (see list at [25.104](#)). The notice shall include—

(i) The title “Buy American Exception under the American Recovery and Reinvestment Act of 2009”;

(ii) The dollar value and brief description of the project; and

(iii) A detailed justification as to why the restriction is being waived.

(c) *Acquisitions under trade agreements.* (1) For construction contracts with an estimated acquisition value of \$7,804,000 or more, also see [Subpart 25.4](#). Offers of products determined to be eligible products per [Subpart 25.4](#) shall receive equal consideration with domestic offers per [Subpart 25.4](#).

(2) For purposes of the Recovery Act, designated countries do not include the Caribbean Basin Countries.

25.604 Preaward determination concerning the inapplicability of section 1605 of the Recovery Act or the Buy American Act.

(a) For any acquisition, an offeror may request from the contracting officer a determination concerning the inapplicability of section 1605 of the Recovery Act or the Buy American Act for specifically identified construction materials. The time for submitting the request is specified in the solicitation in paragraph (b) of either [52.225-22](#) or [52.225-24](#), whichever applies. The information and supporting data that must be included in the request are also specified in the solicitation in paragraphs (c) and (d) of either [52.225-21](#) or [52.225-23](#), whichever applies.

(b) Before award, the contracting officer must evaluate all requests based on the information provided and may supplement this information with other readily available information.

(c) Determination based on unreasonable cost of domestic construction material.

(1) *Iron, steel, and other manufactured construction material.* The contracting officer must compare the offered price of the contract using foreign manufactured construction material to the estimated price if all domestic manufactured construction material were used. If use of domestic manufactured construction material would increase the overall offered price of the contract by more than 25 percent, then the contracting officer shall determine that the cost of the domestic manufactured construction material is unreasonable.

(2) *Unmanufactured construction material.* The contracting officer must compare the cost of each foreign unmanufactured construction material to the cost of domestic unmanufactured construction material. If the cost of the domestic unmanufactured construction material exceeds the cost of the foreign unmanufactured construction material by more than 6 percent, then the contracting officer shall determine that the cost of the unmanufactured construction material is unreasonable.

25.605 Evaluating offers of foreign construction material.

(a) If the contracting officer has determined that an exception applies because the cost of certain domestic construction material is unreasonable, in accordance with section [25.604](#), then the contracting officer shall apply evaluation factors to the offer incorporating the use of such foreign construction material as follows:

(1) Use an evaluation factor of 25 percent, applied to the total offered price of the contract, if foreign iron, steel, or other manufactured goods are incorporated in the offer as construction material based on an exception for unreasonable cost requested by the offeror.

(2) In addition, use an evaluation factor of 6 percent applied to the cost of foreign unmanufactured construction material incorporated in the offer based on an exception for unreasonable cost requested by the offeror.

(3) Total evaluated price = offered price + (.25 x offered price, if (a)(1) applies) + (.06 x cost of foreign unmanufactured construction material, if (a)(2) applies).

(b) If two or more offers are equal in price, the contracting officer must give preference to an offer that does not include foreign construction material excepted at the request of the offeror on the basis of unreasonable cost.

(c) Offerors also may submit alternate offers based on use of equivalent domestic construction material to avoid possible rejection of the entire offer if the Government determines that an exception permitting use of a particular foreign construction material does not apply.

(d) If the contracting officer awards a contract to an offeror that proposed foreign construction material not listed in the applicable clause in the solicitation (paragraph (b)(3) of [52.225-21](#), or paragraph (b)(3) of [52.225-23](#)), the contracting officer must add the excepted materials to the list in the contract clause.

25.606 Postaward determinations.

(a) If a contractor requests a determination regarding the inapplicability of section 1605 of the Recovery Act or the Buy American Act after contract award, the contractor must explain why it could not request the determination before contract award or why the need for such determination otherwise was not reasonably foreseeable. If the contracting officer concludes that the contractor should have made the request before contract award, the contracting officer may deny the request.

(b) The contracting officer must base evaluation of any request for a determination regarding the inapplicability of section 1605 of the Recovery Act or the Buy American Act made after contract award on information required by paragraphs (c) and (d) of the applicable clause at [52.225-21](#) or [52.225-23](#) and/or other readily available information.

(c) If a determination, under [25.603](#)(a), is made after contract award that an exception to section 1605 of the Recovery Act or to the Buy American Act applies, the contracting officer must negotiate adequate consideration and modify the contract to allow use of the foreign construction material. When the basis for the exception is the unreasonable cost of a domestic construction material, adequate consideration is at least the differential established in [25.605](#)(a).

25.607 Noncompliance.

The contracting officer must—

(a) Review allegations of violations of section 1605 of the Recovery Act or Buy American Act;

Subpart 25.11—Solicitation Provisions and Contract Clauses

25.1101 Acquisition of supplies.

The following provisions and clauses apply to the acquisition of supplies and the acquisition of services involving the furnishing of supplies.

(a)(1) Insert the clause at [52.225-1](#), Buy American Act—Supplies, in solicitations and contracts with a value exceeding the micro-purchase threshold but not exceeding \$25,000; and in solicitations and contracts with a value exceeding \$25,000, if none of the clauses prescribed in paragraphs (b) and (c) of this section apply, except if—

(i) The solicitation is restricted to domestic end products in accordance with [Subpart 6.3](#);

(ii) The acquisition is for supplies for use within the United States and an exception to the Buy American Act applies (e.g., nonavailability, public interest, or information technology that is a commercial item); or

(iii) The acquisition is for supplies for use outside the United States.

(2) Insert the provision at [52.225-2](#), Buy American Act Certificate, in solicitations containing the clause at [52.225-1](#).

(b) (1) (i) Insert the clause at [52.225-3](#), Buy American Act—Free Trade Agreements—Israeli Trade Act, in solicitations and contracts if—

(A) The acquisition is for supplies, or for services involving the furnishing of supplies, for use within the United States, and the acquisition value is \$25,000 or more, but is less than \$203,000;

(B) The acquisition is not for information technology that is a commercial item, using fiscal year 2004 or subsequent fiscal year funds; and

(C) No exception in [25.401](#) applies. For acquisitions of agencies not subject to the Israeli Trade Act (see [25.406](#)), see agency regulations.

(ii) If the acquisition value is \$25,000 or more but is less than \$50,000, use the clause with its Alternate I.

(iii) If the acquisition value is \$50,000 or more but is less than \$70,079, use the clause with its Alternate II.

(2)(i) Insert the provision at [52.225-4](#), Buy American Act—Free Trade Agreements—Israeli Trade Act Certificate, in solicitations containing the clause at [52.225-3](#).

(ii) If the acquisition value is \$25,000 or more but is less than \$50,000, use the provision with its Alternate I.

(iii) If the acquisition value is \$50,000 or more but is less than \$70,079, use the provision with its Alternate II.

(c)(1) Insert the clause at [52.225-5](#), Trade Agreements, in solicitations and contracts valued at \$203,000 or more, if the acquisition is covered by the WTO GPA (see [Subpart 25.4](#)) and the agency has determined that the restrictions of the Buy American Act are not applicable to U.S.-made end products.

If the agency has not made such a determination, the contracting officer must follow agency procedures.

(2) Insert the provision at [52.225-6](#), Trade Agreements Certificate, in solicitations containing the clause at [52.225-5](#).

(d) Insert the provision at [52.225-7](#), Waiver of Buy American Act for Civil Aircraft and Related Articles, in solicitations for civil aircraft and related articles (see [25.407](#)), if the acquisition value is less than \$203,000.

(e) Insert the clause at [52.225-8](#), Duty-Free Entry, in solicitations and contracts for supplies that may be imported into the United States and for which duty-free entry may be obtained in accordance with [25.903](#)(a), if the value of the acquisition—

(1) Exceeds the simplified acquisition threshold; or

(2) Does not exceed the simplified acquisition threshold, but the savings from waiving the duty is anticipated to be more than the administrative cost of waiving the duty. When used for acquisitions that do not exceed the simplified acquisition threshold, the contracting officer may modify paragraphs (c)(1) and (j)(2) of the clause to reduce the dollar figure.

(f) Insert the provision at [52.225-18](#), Place of Manufacture, in solicitations that are predominantly for the acquisition of manufactured end products, as defined in the provision at [52.225-18](#) (i.e., the estimated value of the manufactured end products exceeds the estimated value of other items to be acquired as a result of the solicitation).

25.1102 Acquisition of construction.

When using funds other than those appropriated under the American Recovery and Reinvestment Act of 2009 (Pub. L. 111-5) (Recovery Act), follow the prescriptions in paragraphs (a) through (d) of this section. Otherwise, follow the prescription in paragraph (e).

(a) Insert the clause at [52.225-9](#), Buy American Act—Construction Materials, in solicitations and contracts for construction that is performed in the United States valued at less than \$7,804,000.

(1) List in paragraph (b)(2) of the clause all foreign construction material excepted from the requirements of the Buy American Act.

(2) If the head of the agency determines that a higher percentage is appropriate, substitute the higher evaluation percentage in paragraph (b)(3)(i) of the clause.

(b)(1) Insert the provision at [52.225-10](#), Notice of Buy American Act Requirement—Construction Materials, in solicitations containing the clause at [52.225-9](#).

(2) If insufficient time is available to process a determination regarding the inapplicability of the Buy American Act before receipt of offers, use the provision with its Alternate I.

tions and contracts for construction that is performed in the United States valued at \$7,804,000 or more.

(1) List in paragraph (b)(3) of the clause all foreign construction material excepted from the requirements of the Buy American Act, other than designated country construction material.

(2) If the head of the agency determines that a higher percentage is appropriate, substitute the higher evaluation percentage in paragraph (b)(4)(i) of the clause.

(3) For acquisitions valued at \$7,804,000 or more, but less than \$9,110,318, use the clause with its Alternate I. List in paragraph (b)(3) of the clause all foreign construction material excepted from the requirements of the Buy American Act, unless the excepted foreign construction material is from a designated country other than Bahrain, Mexico, and Oman.

(d)(1) Insert the provision at [52.225-12](#), Notice of Buy American Act Requirement—Construction Materials under Trade Agreements, in solicitations containing the clause at [52.225-11](#).

(3) For acquisitions valued at \$7,804,000 or more, but less than \$9,110,318, use the clause with its Alternate II.

(e)(1) When using funds appropriated under the Recovery Act for construction, use provisions and clauses [52.225-21](#), [52.225-22](#), [52.225-23](#), or [52.225-24](#) (with appropriate Alternates) in lieu of the provisions and clauses [52.225-9](#), [52.225-10](#), [52.225-11](#), or [52.225-12](#) (with appropriate Alternates), respectively, that would be applicable as prescribed in paragraphs (a) through (d) of this section if Recovery Act funds were not used.

(2) When using clause [52.225-23](#), list foreign construction material in paragraph (b)(3) of the clause as follows:

(i) *Basic clause.* List all foreign construction materials excepted from the Buy American Act or section 1605 of the the Recovery Act, other than Recovery Act designated country construction material.

(ii) *Alternate I.* List in paragraph (b)(3) of the clause all foreign construction material excepted from the Buy American Act or section 1605 of the Recovery Act, unless the excepted foreign construction material is from a Recovery Act designated country other than Bahrain, Mexico, or Oman.

25.1103 Other provisions and clauses.

(a) *Restrictions on certain foreign purchases.* Insert the clause at [52.225-13](#), Restrictions on Certain Foreign Purchases, in solicitations and contracts, unless an exception applies.

(b) *Translations.* Insert the clause at [52.225-14](#), Inconsistency Between English Version and Translation of Contract, in solicitations and contracts if anticipating translation into another language.

(c) *Foreign currency offers.* Insert the provision at [52.225-17](#), Evaluation of Foreign Currency Offers, in solicitations that permit the use of other than a specified currency. Insert in the provision the source of the rate to be used in the evaluation of offers.

(d) The contracting officer shall include in each solicitation for the acquisition of products or services (other than commercial items procured under [Part 12](#)) the provision at [52.225-20](#), Prohibition on Conducting Restricted Business Operations in Sudan—Certification.

* * * * *

Contractor to furnish supplies or services for performance of this contract. It includes, but is not limited to, purchase orders and changes and modifications to purchase orders, but does not include contracts that provide supplies or services benefiting two or more contracts.

(b) Section 2(d) of the Federal Funding Accountability and Transparency Act of 2006 (Pub. L. No. 109-282) requires establishment of a pilot program for a single searchable website, available to the public at no charge that includes information on Federal subcontracts.

(c) Within thirty days after the end of March, June, September, and December of each year through 2008, the Contractor shall report the following information at www.esrs.gov for each subcontract award with a value greater than \$1 million made during that quarter.
