Version Detail

The table below describes the version history of this policy.

Version Number	Date	Author	Description of update
01	Date of Signature	Antonia Giammo	Implements the CAAC Letter 2025-02, Supplement 1 deviation for the Department of the Interior to implement Executive Orders 14148 and 14208.

Purpose:

The purpose of this policy is to issue a Class Deviation to the Federal Acquisition Regulation (FAR) to implement Section 2 of Executive Orders (EO) [14148, Initial Rescissions of Harmful Executive Orders and Actions](#), which revoked [EO 14057, Catalyzing Clean Energy Industries and Jobs Through Federal Sustainability](#), and [EO 14208, Ending Procurement and Forced Use of Paper Straws](#), in accordance with [Civilian Agency Acquisition Council \(CAAC\) Letter 2025-02, Supplement 1](#).

Scope:

This policy applies to Department of the Interior (DOI) solicitations and contracts subject to the Federal Acquisition Regulation (FAR).

Effective date:

This policy is effective upon signature and will remain in effect until the FAR is amended or the policy is otherwise rescinded.

Background:

[CAAC Letter 2025-02, Supplement 1](#) issues a class deviation from the FAR regarding [14148, Initial Rescissions of Harmful Executive Orders and Actions](#), rescinding [EO 14057, Catalyzing Clean Energy Industries and Jobs Through Federal Sustainability](#); and [EO 14208, Ending Procurement and Forced Use of Paper Straws](#). Several FAR regulations, provisions and clauses promulgated to enforce EO 14057 are not consistent with the direction of the President.

EO 14208, Ending Procurement and Forced Use of Paper Straws, directs agencies to take appropriate action to eliminate policies designed to disfavor plastic straws. CAAC Letter 2025-02, Supplement 1 describes changes to the FAR to ensure compliance with EO 14148 and 14208 as outlined above, and serves as consultation in accordance with FAR 1.404, authorizing agencies to issue a class deviation to implement the necessary changes.

Action:

In advancement of Section 2 of Executive Order 14208, the removal of requirements related to Executive Order 14057 eliminates all non-statutory sustainability requirements or preferences in purchases of food service wares, including paper straws. In addition to removing requirements related to Executive Order 14057, the [CAAC Letter 2025-02, Supplement 1](#) attachment also reflects recent updates to Code of Federal Regulation citations for the U.S. Department of Agriculture's BioPreferred® Program, a statutory purchasing preference program.
