

**U.S. Department  
of Transportation**

1200 New Jersey Ave., S.E.  
Washington, DC 20590

Office of the Secretary  
of Transportation

---

**SUBJECT:** Class Deviation No. 2025-20 from the Federal Acquisition Regulation for FAR Part 38 in Support of Executive Order 14275 on Restoring Common Sense to Federal Procurement

**FROM:** Chrishaun Jones  
Senior Procurement Executive  
Office of the Senior Procurement Executive

**TO:** Department of Transportation Chiefs of the Contracting Offices

- I. Purpose:** This class deviation (CD) is issued under Federal Acquisition Regulation (FAR) part 1 and Transportation Acquisition Regulation (TAR) part 1201 and authorizes a class deviation to FAR part 38 for purposes of implementing the Federal Acquisition Regulatory Council's (the Council's) model deviation to FAR part 38.
- II. Effective Date:** Immediately
- III. Background:** On April 15, 2025, [Executive Order \(E.O.\) 14275 on Restoring Common Sense to Federal Procurement](#) was signed. Section 2 of the E.O. establishes the policy that the FAR "should only contain provisions required by statute or essential to sound procurement, and any FAR provisions that do not advance these objectives should be removed."

The FAR is being updated to:

- Remove language that is not required by statute
- Remove duplicative or outdated language
- Clarify or provide more plain language
- Revise language for the new FAR framework
- Retain language necessary for governmentwide acquisition standards.

This project is referred to as the Revolutionary FAR Overhaul (RFO) initiative.

FAR part 38, concerning Federal Supply Schedule Contracting, is removed in its entirety. Guidance and procedures for the Schedule program will be moved from FAR part 38 and subpart 8.4 to the [General Services Acquisition Manual/Regulation \(GSAM/R\) part 538](#). FAR part 38 is now "Reserved."

- IV. Required Actions:** All DOT Operating Administrations (OAs), the Office of the Secretary of Transportation (OST), and the Office of the Inspector General (OIG), excluding the Federal Aviation Administration (FAA) per TAR 1201.104(d) shall follow the [RFO part 38 model deviation text](#) as codified at 48 CFR chapter 1. The Council's RFO part 38 model deviation text is available at [Acquisition.gov/far-overhaul](#) and is incorporated by reference into this CD. A line-out version of the changes may also be found [here](#) for reference.

Heads of the Contracting Activities (HCAs) must ensure this deviation is disseminated to the acquisition workforce and ensure compliance.

- V. Applicability:** This CD applies to all DOT OAs, OST, and OIG, excluding the FAA in accordance with TAR 1201.104(d).
- VI. Expiration Date:** This CD will remain in effect until it is incorporated into the FAR or is otherwise rescinded, whichever occurs first.
- VII. Point of Contact:** Questions or comments regarding this deviation may be directed to [DOTAcquisitionPolicy@dot.gov](mailto:DOTAcquisitionPolicy@dot.gov).
