WASHINGTON, D.C. 20460

### MEMORANDUM

DATE: September 3, 2025

SUBJECT: Environmental Protection Agency (EPA) Interim Policy Notice (IPN) 25-21, Federal Acquisition Regulation (FAR) Class Deviation, RFO-2025-21 for FAR Part 5 in Support of Executive Order 14275 on Restoring Common Sense to Federal Procurement

FROM: Pamela D. Legare  
EPA Senior Procurement Executive  
Office of Acquisition Solutions

TO: EPA Acquisition Community

1. Purpose. This IPN approves a class deviation to the FAR for purposes of implementing the Federal Acquisition Regulatory Council's (the Council's) model deviation text to FAR Part 5.

2. Background. [Executive Order \(E.O.\) 14275 on Restoring Common Sense to Federal Procurement](#) signed April 15, 2025, mandates a comprehensive review and simplification of the FAR.

The FAR is being updated to:

- Eliminate non-statutory language
- Remove redundant or obsolete language
- Enhance clarity through plain language
- Align with the new FAR framework
- Preserve essential governmentwide acquisition standards

This project is referred to as the Revolutionary FAR Overhaul (RFO) initiative. This initiative will make the FAR more concise, understandable, and focused on core procurement requirements.

3. Summary of Changes. Part 5, Publicizing Contract Actions, is revised from a complex, topic-based structure to a streamlined, chronological process that mirrors the three main phases of an acquisition. The revision makes extensive use of tables to present complex information regarding content requirements and timing, a significant departure from the dense paragraphs of the original text. The new tables 5-1, 5-2, 5-3, and 5-4 clearly explain posting requirements and timeframes. This approach directly serves the goals of reducing complexity and enhancing clarity by making the content easier to

understand and use. Statutory requirements retained in the RFO FAR part 5 model deviation include, but are not limited to, the following:

- 5 U.S.C. § 552, Public Information; Agency Rules, Opinions, Orders, Records, and Proceedings
- 15 U.S.C. § 637(e) and 41 U.S.C. § 1708, Procurement Notice
- 15 U.S.C. § 637(k), Notices of Subcontracting Opportunities
- 15 U.S.C. § 637b, Availability of Information
- 15 U.S.C. § 644, Awards or Contracts
- 44 U.S.C. §§ 3701-3703, Awarding of Contracts
- Pub. L. 97-219, Small Business Innovation Development Act of 1982
