## MEMORANDUM

**Date:** November 13, 2025

**From:** Jonathan C. Hamlet  
Managing Director & Senior Procurement Executive  
Contracts and Grants Management Division  
Department of Administration and Finance  
Millennium Challenge Corporation

**To:** MCC Contracts and Grants Management Division Staff

**Subject:** Class Deviation to Implement the FAR Revisions Part 51 *Reserved* Issued on August 14, 2025

**Findings**

On April 15, 2025, President Trump signed the [Executive Order \(E.O.\) 14275, “Restoring Common Sense to Federal Procurement”](#) to reform the Federal Acquisition Regulation (FAR). This E.O. further advances the intent of the [E.O. 14192, “Unleashing Prosperity Through Deregulation,”](#) signed on January 31, 2025, which established that the policy of the executive branch is to be prudent and financially responsible in the expenditure of funds and to alleviate unnecessary regulatory burdens placed on the American people.

The E.O. orders the Administrator of the Office of Federal Public Procurement Policy (OFPP), in coordination with the other members of the Federal Acquisition Regulatory Council (FAR Council), the heads of agencies, and appropriate senior acquisition and procurement officials from agencies to amend the FAR to ensure that it contains only provisions that are required by statute or that are otherwise necessary to support simplicity and usability, strengthen the efficacy of the procurement system, or protect economic or national security interests. This project is referred to as the Revolutionary FAR Overhaul (RFO) initiative.

On May 2, 2025, the Office of Management and Budget (OMB) released its memo M-25-26 “Overhauling the Federal Acquisition Regulation” that directs all agencies to “Generally issue individual or class deviations to implement the FAR Council’s deregulated coverage within 30 days after the Council releases its model deviation text. Provide copies of class deviations to the FAR Secretariat at [gsaregsec@gsa.gov](mailto:gsaregsec@gsa.gov) for public posting on Acquisition.gov.”

On August 14, 2025, the FAR Council issued completed revisions for [FAR Part 51](#). The RFO FAR Part 51 model deviation text has been removed in its entirety. All statutory text and essential text retained to support sound procurement will be moved to FAR part 8.

Other key changes include:

*Removed:*

- Part 51 has been removed in its entirety.

## Determination

To fully comply with the President's E.O.s and the revised FAR Part 51, MCC shall follow the [RFO Part 51 model deviation text](#) instead of FAR Part 51 as codified at 48 CFR Chapter 51. The FAR Council's RFO Part 51 model deviation text is available at [Acquisition.gov](#), under the "[FAR Overhaul](#)" link.

This deviation applies to all solicitations and new contracts as of November 13, 2025. This deviation does not apply to contracts signed and executed on or before November 12, 2025.

## Approval

In accordance with RFO FAR 1.304 *Class deviations*, MCC Contracts Operating Manual (COM) 1.305-3 *Contracts and Grants Management Division MD/SPE*, and the OMB memo M-25-26, the RFO Part 51 model deviation text is hereby approved effective as of November 13, 2025 for use by all MCC Contracting Officers until final implementation of the FAR update or rescission of this Memo by the SPE. Additional instructions related to this Memo may be issued by the Senior Procurement Executive, Deputy Managing Director, and the Supervisory Procurement Analyst of the MCC CGM Division on an *ad hoc* basis.
